

Thank you for your interest in Engage Education, teaching in the UK.

I would like to take the opportunity to introduce myself. My name is Karianne and I am the Manager of Resource Consultants and am based in our Toronto office. In 2011 I moved back from the UK, where I had been teaching for 2 years as a full time classroom teacher. I thoroughly enjoyed my time and experiences in the UK, building on my teaching skills and partaking in some travel. I am now delighted to have the opportunity to assist and select Canadian and American teachers in coming to the UK for their own personal experiences.

Below is a summary of the programs we offer teachers: We will discuss each program in detail when we speak.

1. IDAY (full time): iday allows selected teachers from around the globe to venture to England for a week in order to participate in face to face interviews with potential employers – all in one event, under one roof. With all major costs covered by Engage, iday enables teachers to focus on the interview process, visit schools and teach a lesson, in order to secure a full-time position in their subject area(s) for the upcoming school term/year. Please visit [www.iday.co.uk](http://www.iday.co.uk) to find out more.

2. PROFILE (full time): Profile offers you the option of securing a full time position in your subject area(s), through telephone or Skype interviews - right from the comfort of your own home. Your Canadian Consultant will create a profile summarizing your skills and emphasizing your strengths as a teacher, which will then be matched against our multiple vacancies. UK consultants will review the specifics of each match based on position, school and location with you before putting you forth for interviews.

3. SGP: Secure Guaranteed Pay contracts allow successful candidates to work a guaranteed 5 out of 5 days a week as a supply/substitute teacher. SGP contracts are a great opportunity to gain knowledge on the UK Curriculum, and garner a wide range of experience in a variety of different schools and locations throughout England. SGP also provides you with financial stability, ensuring you make enough money to live and experience the UK.

I would love the opportunity to speak with you in order to provide you with information and options based on your experience and qualifications as a teacher. This initial conversation will also give you the chance to ask further questions about what Engage can do for you.

If you are interested in finding out more about teaching in the UK, please send me:

- your resume (cover letter not required)
- any written references/teaching evaluations you may currently have

I will then be in touch to set up an initial telephone interview.

Looking forward to hearing from you,

**Karianne Tamblyn, B.A., B.Ed**
