## Faculty of Education Expanded Admission Student Application Form

The University of Winnipeg affirms the values of equal opportunity, equity, and social justice. In keeping with these values, the Faculty of Education has established a policy of expanded admission to help us recruit a group of education students who generally reflect the diversity of the population of Manitoba. This policy is in addition to our Access Program at the Winnipeg Education Centre and the Community-Based Aboriginal Teacher Education Program.

If you are a member of one or more of the groups indicated below, and wish to apply for an Expanded Admission space in the Faculty of Education program:

1. Complete and return this form along with your application to the Admissions Office at the University of Winnipeg, 515 Portage Avenue, Winnipeg, MB. R3B 2E9.

2. Include supporting documentation (i.e. status card, medical documentation).

3. Those candidates applying under the Special Consideration category only must include a 1-2 page written statement describing the factors that have prevented them from achieving a competitive GPA (see Expanded Admission Policy Information Handout).

The information will be kept confidential. It will be used only for admission purposes, and will not be used in any way that will adversely affect your application.

Students applying for Expanded Admission to the first year of the Integrated Program must meet minimum admission requirements. Students applying for Expanded Admission as Transfer or After-Degree candidates must meet minimum admission requirements and have a minimum GPA of 2.0.
