AFTER-DEGREE YEAR 2 INFORMATION

Elementary Stream

THE UNIVERSITY OF
WINNIPEG

REGULATIONS RELATED TO SCHEDULING AND REGISTRATION

In order to guarantee that all students are able to fulfill their degree requirements, students will be assigned to a particular timetable of courses. By doing this, we ensure that all students are able to register for the courses they need without worrying about potential conflicts or courses filling. Students must register for the specific courses and sections to which they have been assigned. To be fair and consistent, we cannot consider individual requests to accommodate work schedules, commuting time, child care, course preferences, extra-curricular activities at the practicum school, or any other reasons for wanting specific courses or sections.

After-Degree students will receive an email with a list of their assigned courses and schedules by mid-June. Until then, students should plan to be available for classes and practicum every day, from 8:30 am – 6:30 pm. All extra-curricular activities, including work, child care arrangements, and extra-curricular activities at the host school must be scheduled around classes and practicum commitments. Students entering After-Degree Year 2 will register in Tier 2. Students are expected to register at their appointed time.

It is expected that students are familiar with the rules and regulations governing the education program. Ignorance of requirements and policies will not be considered in determining the validity of appeals or special requests. Students are advised to consult the Academic Calendar Faculty of Education Rules and Regulations (page 18) for additional rules governing courses, practicum, and performance in the After-Degree program: <https://www.uwinnipeg.ca/academics/calendar/docs/educ.pdf>
