Speeches, Talks, and Presentations

Mondays and Wednesdays
2 hour class

Effective communication is crucial for academic and professional success. This seminar will include work on not just what students say, but how they say it.

Through careful observation and review of effective speakers, course participants will discover how to be an engaging speaker.

In this course students will:

- › compose and deliver structured speaking tasks
- › give impromptu and prepared speeches
- › work on intonation, pacing and thought groups
- › create short, personal stories and academically oriented presentations

Skill Focus Listening and Speaking

Cost \$910

Exploring Global Events Through English

Tuesdays and Thursdays
2 hour class

In today's global world, it is important to be able to understand a wide variety of English speakers. This seminar will expose students to English accents from around the world.

Through engaging with top news stories from around the world, students will discover how to participate more fully in conversations as global citizens.

In this course students will:

- › listen and interact with authentic world media reports
- › complete tasks that centre on group discussions and informal debates
- › write scripts and produce news reports
- › receive, analyze and compose media

Skill Focus Listening and Speaking

Cost \$910
