

THE UNIVERSITY OF  
WINNIPEG

# The Pathway Program

[uwinnipeg.ca/elp-pathway-program](http://uwinnipeg.ca/elp-pathway-program)

Designed to help students who do not currently meet the English language requirement for study at UWinnipeg or for those who want to improve their English study skills to excel in a post-secondary environment.

## What makes the Pathway Program different?

### Companion Course

Students take a first-year university course, taught by a professor. This course is paired with a specially-designed companion course, taught by an EAL instructor.

### Direct Pathways\*

Successful completion of Academic Level 5 is the language requirement needed for a direct pathway to programs in Undergraduate Studies, PACE and The Collegiate.

### Student Life

Student Life activities are a part of study. Learn language in authentic settings – through visits to the Canadian Museum for Human Rights, Manitoba Museum, the Forks, and more.

### English Language Requirement

Students will develop the academic skills and learning strategies needed to be successful in future UW studies.

### 6 Credit Hours

Students earn up to 6 credit hours for further study at UWinnipeg.

### Conversation Club

Partake in the ELP Conversation Club. Practice your conversational skills with students from UWinnipeg.

### Pathway to PACE – Professional, Applied and Continuing Education

- › Students take Academic English with an ELP instructor, focusing on academic reading and writing
- › Students take Business Fundamentals with a PACE instructor
- › Students take an adjunct to Business Fundamentals course with an ELP instructor who supports them through the PACE course
- › Students receive credit for Business Fundamentals course

### Pathway to Undergraduate Studies

- › Students take Academic English with an ELP instructor, focusing on academic reading and writing
- › Students take Introduction to Business with an instructor from the department of Business and Administration
- › Students take an adjunct to Introduction to Business with an ELP instructor who supports them through the Business course
- › Students receive 6 credit hours in UG Studies

# Pathway Stream – 14 Week Program

The Pathway stream of the 14-week program is designed to fully immerse students in the English language. Through comprehensive language instruction and hands-on learning, students can accomplish a variety of goals, such as continuing to undergraduate studies at UWinnipeg or thriving in community settings. This program offers numerous opportunities for growth, connection, and enhancement of English language skills.

## Develop Skills

Students prepare for their main program by focusing on academic skills as well as learning strategies needed to be successful in post-secondary education.

Academic Listening  
and Speaking Skills

Academic Reading  
and Writing Skills

Academic Learning  
Strategies
