

Bryce Lawrence Bursary Fund

This bursary has been established in memory of Bryce Lawrence by the Winnipeg Game and Fish Association, an organization that pioneered the concepts and pursuits of wildlife conservation in Manitoba. Mr. Lawrence devoted countless hours over many years to pursuing his personal lifelong commitment to the preservation and enhancement of our wildlife heritage. The bursary will be awarded to a deserving person studying in Environmental Studies at The University of Winnipeg.

MARCC Bursary

Two awards of \$500 were established in the fall of 2002 by the Manitoba Association for Resource Recovery Corporation (MARCC). The bursary will be awarded annually to a student pursuing a BSc (4-year) degree in Environmental Studies who is making satisfactory academic progress. Applicants must demonstrate their eligibility on the standard University of Winnipeg bursary application form.

Mooring-Griffioen Memorial Bursary

Two bursaries, established by endowment in 1986, will be awarded to full-time students who have demonstrated active participation in environmental issues or who are registered in at least 6 credit hours in the Environmental Studies major in the current academic year. Special consideration, for one of these awards will be given to visa students from African countries.

Saul and Claribel Simkin Bursary

This bursary was established by Saul (LL.D., 1974) and Claribel Simkin. It will provide for Aboriginal students to pursue a combination of studies and work experience in the pursuit of an undergraduate degree, with the goal of helping northern communities adapt to environmental change. Upon completion of their programs, recipients are expected to spend up to 12 months in northern communities sharing their education, skills, and knowledge. Recipients will be selected based on financial need, demonstrated leadership abilities and demonstrated commitment to their communities.
