THE UNIVERSITY OF
WINNIPEG

Faculty of Business
and Economics

Thank you volunteers!

***'Alone we can do so little; together we can do so much.'* – Helen Keller**

On behalf of the Faculty, we extend a huge "thank-you" to all of the volunteers who participated in our Faculty-wide photo-shoot! We could not have done this without you!

This is the first FBE-exclusive shoot, and it went smoothly. Even though there were unpredictable wait times, all of the volunteers were patient and ready to smile. You made our job easy! This includes our students, faculty members and our alumni industry reps - all of whom took the time out of their busy schedules to 'pose' for us.

Science students may have test-tubes and goggles - but from our lens - our business

students have it ALL going on! From the impressive business attire, to those incredible smiles and 'attitude' (quote from our photographer, Cory). At FBE, our image is that of a great attitude, a professional business presence, confidence and a spirit of cooperation that was easy to see throughout the shoot.

Thank you again for representing us! We're excited to view the images in a couple of weeks, and re-live the photo-shoot. If you had your portrait done on Thursday (Mar. 28th), please email h.bochurka@uwinnipeg.ca in two weeks and it will be sent to you.

As the years come and go, and when you graduate and become a UWinnipeg FBE alumni, you will never be forgotten!

A thank you to Cory for Cory Aronec Photography for his expertise and making this shoot seem effortless. A thank you to Trevor Thomas and the rest of the UWinnipeg Marketing team for all the help.

Exam Cram - Study in Buhler April 8 and 9!

They're here - exams! Don't make yourself sick about it. As daunting as it may seem, BASA and FESA are determined to make that pill a little easier to swallow with the Exam Cram event on April 8th and 9th.

They've got spaces booked for both collaborative and quiet studying; coffee, snacks and lunch; and drop-in tutoring available (in Ops Management, Financial Accounting, Intro to Business I, Managerial Accounting, Financial Management, and Intro Macro and Microeconomics).

There will be a schedule posted on our social media pages and on the main floor of the Buhler Centre, with dates/times and specific locations for tutoring and studying. Morning coffee and other snacks will be available behind the glass on the first floor of Buhler (while supplies last!) and is sponsored by the FBE.

Date: April 8th & April 9th

Time: 9:00 a.m. - 11:00 p.m.

Economics students Camila Navarro, Katherine Nemeth Crapper, and Keelan Dagdick are excelling in the classrooms, and as interns in large local companies.

Five Economics students carving their paths to success
