5 Days for the Homeless

It may seem a little warmer outside, but it's still uncomfortably cold to be sleeping in the elements! That isn't stopping the entire executive team of BASA from braving the frosty temps (and possible snowstorm) to sleep under the stars tonight! Perched on the frosty grounds near the bike racks outside of front of main campus, Aiseosa, BASA Co-chair of 5 days, has been hunkering outdoors every single night this

week in order to raise awareness and donations for members of society that are at risk of or experiencing homelessness. Members of her team join her on various evenings, as well as guests in support of this cause.

5 Days is a national campaign run by the Canadian Association of Business Students (CABS) that strives to raise awareness and donations for members of society that are at risk of or experiencing homelessness.

Donations raised will be given to Resource Assistance for Youth (RaY). RaY is a local non-profit organization committed to providing assistance for youths (ages 13 - 29) who are homeless in Winnipeg.

Please show our students support for their hard work, (and cold toes) this week in their tireless efforts to bring awareness, raise money and provide support for the homeless!

Please visit Aiseosa and other students joining her, donate what you can, and know you're helping to support a good cause.
