MANAGEMENT REPORT

The accompanying consolidated financial statements are the responsibility of management and have been prepared in accordance with Canadian public sector accounting standards (PSAS) for government not-for-profit organizations (GNFPOs), including the 4200 series of standards, as issued by the Public Sector Accounting Board.

The University's Board of Regents is responsible for overseeing the business affairs of the University including approving the consolidated financial statements. The Board has delegated the responsibility for reviewing these annual consolidated financial statements and meeting with management and the external auditor on matters relating to the financial reporting to its Audit and Risk Committee. The external auditor has full access to the Audit and Risk Committee with or without the presence of management. The Board of Regents has reviewed and approved these annual consolidated financial statements.

In management's opinion, these annual consolidated financial statements have been properly prepared within reasonable limits of materiality, incorporating management's best judgement regarding all necessary estimates and all other data. Management maintains internal controls to provide reasonable assurance of the reliability and accuracy of the financial information and to ensure the assets of the University are properly safeguarded. The integrity of internal controls is reviewed on an on-going basis by the University's Audit Services.

The external auditor, KPMG LLP, is responsible for auditing these annual consolidated financial statements and for issuing a report thereon. The Auditor's Report outlines the scope of his examination and provides his opinion on the fairness of presentation.

INDEPENDENT AUDITORS' REPORT

To the Board of Regents of The University of Winnipeg

Opinion

We have audited the consolidated financial statements of The University of Winnipeg (the Entity), which comprise the consolidated statement of financial position as at March 31, 2019, the consolidated statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies (hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at March 31, 2019, and its consolidated results of operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

	<u>\$ 47,182</u>	<u>\$ 35,430</u>

A Statement of Remeasurement Gains and Losses has been excluded as there have been no remeasurement gains or losses.

The accompanying notes are an integral part of these consolidated financial statements.

1. Authority and Purpose

The University of Winnipeg (the University) operates under the authority of the University of Winnipeg Act of the Province of Manitoba. The primary role of the University is to provide post-secondary education, research and service. The University also operates the Collegiate, an independent high school and a number of other education related activities. The University is a not-for-profit organization and, as such, is exempt from income taxes under the Income Tax Act (Canada).

2. Summary of Significant Accounting Policies

A) Basis of Accounting and Principles of Consolidation

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards (PSAS) for government not-for-profit organizations (GNFPOs), including the 4200 series of standards, as issued by the Public Sector Accounting Board. The consolidated financial statements of the University include the University's investment in the 460 Portage Avenue Joint Venture (Note 23), a government partnership, which is accounted for using the proportional consolidated method. The University of Winnipeg Foundation Inc. (the Foundation) and the University of Winnipeg Community Renewal Corporation (UWCRC), both controlled entities, are not consolidated in these financial statements, but details of their consolidated financial results are included in the notes to the consolidated financial statements (Notes 19 and 20 respectively).

B) Revenue Recognition

The University follows the deferral method of accounting for contributions such that the restricted contributions related to expenses of future periods are deferred and recognized as revenue in the period in which the related expenses are incurred. Restricted contributions have external stipulations imposed that specify how resources must be used.

Operating grants are recognized as revenue in the period received or receivable. Tuition fees and sales of goods and services are recognized as revenue in the period in which the services are rendered or goods are sold.

Externally restricted non-capital and non-endowment contributions are recognized as revenue in the period in which the related expenses are incurred. Externally restricted endowment contributions are recorded as direct increases in net assets in the period in which they are received.

Externally restricted contributions for the acquisitions of capital assets having limited lives are recorded as deferred capital contributions in the period in which they are received and amortized into revenue at a rate corresponding with the amortization rate for the related capital asset.

Promissory notes payable to the Manitoba Provincial Government, for the construction or purchase of capital assets, which will be repaid from future funding provided by the Manitoba Provincial Government through Manitoba Education and Training are, in substance, capital grants. These capital grants are reflected as deferred capital contributions in the statement of financial position, if the asset acquired has a limited useful life. The interest expense and the related funding from Manitoba Education and Training over the terms of the promissory notes are both excluded from the statement of operations and changes in fund balances.

C) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, balances with banks and highly liquid temporary money market instruments convertible to cash within three months or less.

D) Long Term Receivables

Long term receivables are carried at amortized cost using the effective interest method. Long term receivables are due from a related joint venture with a non-related partner and are secured by the 460 Portage Avenue property.

E) Tangible Capital Assets

Purchased capital assets and collections of the University are recorded at cost. Donated assets are recorded at estimated fair market value on the date received. Collections which include art work and rare books are recorded at fair value derived by independent appraisal at the time of acquisition or donation. Land, collections of rare books and works of art are not amortized.

Capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Building, additions and improvements	60 years
Library acquisitions	10 years
Furnishings and equipment	10 years
Major system computer software	10 years
Computer equipment	5 years
Vehicles	5 years
Leasehold improvements	Term of lease
Equipment under capital lease	Term of lease

F) Accrued Vacation Pay

The University recognizes vacation pay as an expense on the accrual basis.

G) Other Employee Benefits

The University provides health benefits and pension plan contributions to eligible employees in receipt of long term disability benefits. The costs are actuarially determined using management's best estimate of health care costs, disability recovery rates and discount rates. Adjustments to these costs arising from changes in estimates and experience gains and losses are recorded in the financial statements in the year they occur.

University employees appointed to a position expected to last one year or more are entitled to 180 days of sick leave that is non-vesting, non-accumulating and event driven. The benefit expense and liabilities are recorded when the triggering event occurs.

H) Financial Instruments

All currently held financial instruments are reported at cost or amortized cost. The effective interest method is used to recognize interest income or expense. Transaction expenses related to all financial instruments are expensed as incurred.

I) Trusted Pension Plan

The University contributes to the University of Winnipeg Trusted Pension Plan for University employees. The Plan has both defined benefit and defined contribution components. The pension expense for the defined benefit component of the pension plan is determined actuarially using the projected unit credit actuarial cost method which incorporates management's best estimates of investment performance, salary escalation, retirement ages of employees and members mortality. Consistent with PS 3250 the University has amortized actuarial gains and losses over the estimated average remaining service life (EARSL) of active members of the defined benefit plan. The amortization amount for a year is determined by dividing the unamortized balance at the end of the previous year by the EARSL.

The pension expense for the defined contribution component of the pension plan equals the contributions made during the year.

J) Loan Guarantees

The University guarantees a condition of a loan on the land and building situated at 491 Portage Avenue (the Property) as part of its relationship with UWCRC. The University takes responsibility for ensuring that the debt service coverage ratio on the Property does not go below 1.0:1.0. In the event the Property falls below that ratio, the University would be required to lease space in the Property at normal commercial rents, or ensure that another tenant is obtained to bring the ratio back to 1.0:1.0 or higher. The unrelated owners in the Property have fully indemnified the University for the guarantee until October 31, 2018, and a share of the guarantee thereafter on the basis of their ownership (75%) in the Property.

K) Use of Judgments

The preparation of the University's financial statements in conformity with PSAS for GNFPs requires management to make judgments, apart from those involving estimations, in applying accounting policies that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, as well as reported amounts of revenue and expenses during the reporting period. Items requiring the use of judgments include the selection of cut-off dates used to determine when to end the processing of transactions received after March 31, the decision to record reconciling and correcting items or not (application of materiality) and the assessment of outstanding legal issues and the need to disclose a resulting contingent liability.

L) Use of Estimates

The preparation of the University's financial statements in conformity with PSAS for GNFPs requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include the useful life of capital assets, allowance for doubtful accounts, and the actuarial estimation of compensated absences liabilities and pension obligation. Actual results could differ from these estimates.

3. Cash and Cash Equivalents

	2019	2018
Operating Funds	\$ 24,604	\$ 18,936

Less Accumulated Amortization	(106,596)		(100,751)	
Net Book Value	<u>\$ 194,786</u>		<u>\$ 197,132</u>	

Furnishings and Equipment include Vehicles and Computer Equipment.

7. Bank Indebtedness

The University has an operating line of credit with a bank authorized in the amount of \$1,500. The line of credit is unsecured and bears interest at prime. It was not utilized at March 31, 2019 or March 31, 2018.

8. Obligations for Compensated Absences

The University provides health benefits and pension plan contributions to employees receiving long term disability (LTD) benefits.

Health benefit premiums are paid by the University until the earlier of recovery and return to work, death, or attainment of the normal pension commencement date. For health benefits the liability for each current recipient is the actuarial present value of future premiums for each employee based on the current monthly premium, future assumed inflation for health benefits' premiums, the interest discount rate and assumed probabilities of recovery prior to normal pension commencement date. The following assumptions were made in determining the actuarial present value of future premiums:

- A discount rate of 5.90%
- Health benefit premium inflation of 5% per year.
- LTD recovery rates from the 1987 Commissioner's Group Disability Table
- Canada Pension Plan earnings base increase at 3% per year

The University pays the required pension contribution on behalf of employees receiving LTD benefits, into the University of Winnipeg Trusteed Pension Plan in accordance with the provisions of the pension plan (see Note 16). Contributions are calculated based on the salary rate at the time of disability and the current yearly maximum pensionable earnings (YMPE). The liability for each member is the actuarial present value of future contributions based on the salary at disability, the projected future YMPE and yearly maximum contributory earnings (YMCE), the applicable contribution formula, the interest discount rate and assumed probabilities of recovery prior to normal pension commencement date.

9. Deferred Contributions

Deferred contributions represent unspent externally restricted funding received for special purposes such as Sponsored Research and Designated Funds and Special Purpose Trust consisting primarily of scholarships and bursaries, library acquisitions and lecture funds.

	2019	2018
Balance, Beginning of Year	\$ 10,708	\$ 9,691
Contributions Received	16,918	14,108
Contributions Expensed	(12,880)	(12,240)
Transferred to Foundation (Note 22)	(145)	(851)
Balance, End of Year	<u>\$ 14,601</u>	<u>\$ 10,708</u>
Balance Consists of:		
Sponsored Research and Designated Funds	\$ 8,167	\$ 5,042
Special Purpose Trust	6,434	5,666
	<u>\$ 14,601</u>	<u>\$ 10,708</u>

10. Obligations under Capital Leases

As at September 30, 2018 all obligations under capital leases have expired.

THE UNIVERSITY OF WINNIPEG

Pension Settlement (Interest rate 5.35%, due January 31, 2050)	8,033	8,133
Pension Plan Special Payments (Interest rate 4.15%, due May 31, 2053)	1,867	1,892
Pension Plan Special Payments (Interest rate 4.10%, due Dec. 1, 2054)	1,908	1,931
	<u>14,390</u>	<u>14,568</u>
	<u>\$ 63,793</u>	<u>\$ 65,146</u>

Annual principal payments on the notes during the next five years and thereafter are: 2020 - \$1,367; 2021 - \$1,109, 2022 - \$897; 2023 - \$941, 2024 - \$988, thereafter - \$58,491.

THE UNIVERSITY OF WINNIPEG
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended March 31, 2019
Amounts in Thousands

Supplementary pensions payable represents payments to past Presidents of the University for services performed and is based on an actuarial calculation. The amount due in 2019 is \$57 (2018 - \$56).

Interest expense during the year on long term liabilities totalled \$3,072 (2018 - \$3,129).

The University received capital funding from the Provincial Government as a contribution towards the Richardson College for the Environment and Science Complex building and deferred maintenance expenditures on campus. The funding was financed by promissory notes payable to the Province of Manitoba bearing interest at rates ranging from 3.75% to 5.95%. The notes are repayable over a term of 40 years, due between February 2047 and April 2058. Repayment is funded by dedicated grants from the Province of Manitoba. This funding has been treated as a restricted grant and recorded as deferred capital contributions where it paid for an asset which was capitalized, or recognized as revenue in the period expended, if the expenditure did not meet the definition of a capital asset. The loan payments, off-setting revenues and debt outstanding are not recorded in the University's financial statements. The balance of debt outstanding at March 31, 2019 is \$69,220 (2018 - \$70,456).

13. Internally Restricted Net Assets

	March 31, 2018	Reductions	Additions	March 31, 2019
Unrestricted Trust Income	\$ 1,686	\$ -	\$ 93	\$ 1,779
Internally Restricted	3,321	-	417	3,738
Strategic Provisions:				
Capital Reserve	97	-	-	97
Project Development	2,369	(95)	1,097	3,371
	2,466	(95)	1,097	3,468
	<u>\$ 7,473</u>	<u>\$ (95)</u>	<u>\$ 1,607</u>	<u>\$ 8,985</u>

The cumulative net unrestricted trust income is available to fund various internally created scholarships.

Internally Restricted represents internally funded research and designated activities as well as internally funded academic professional allowances. Actual funding and expenses related to Internally Restricted activities are charged to operations (see Statement III).

Strategic provisions represent an appropriation from unrestricted net assets to internally restricted assets. These appropriations are made to provide for future funding support of initiatives within the Strategic Plan and the Academic Plan. Actual expenses related to strategic provisions are charged to operations and are covered with a corresponding transfer of funds from internally restricted net assets (see Statement III).

14. Externally Restricted Net Assets (Endowments)

	2019	2018
Cash and Short Term Investments	\$ 1,182	\$ 1,292
Long Term Investments (Note 4)	2,425	2,330
	<u>\$ 3,607</u>	<u>\$ 3,622</u>

Endowments of \$2,957 (2018 - \$2,972) are held in trust in accordance with the terms of a designated bequest. In 2019, the University has a 10% share in the income distribution from this trust (2018 - 10% share). The majority of the University's Endowment Fund was transferred to the Foundation in 2004 (Note 19).

15. Financial Instrument Risk Management

The University is exposed to credit, interest rate and liquidity risk. Based on the University's small amount of foreign currency denominated assets and liabilities, a change in exchange rates would not have a material effect on its Statement of Operations. The University manages its financial assets in accordance with the Board of Regents Financial Oversight and Budgeting Policy.

Credit Risk

Credit risk is the risk of financial loss to the University if a counterparty to a financial instrument fails to discharge an obligation.

Accounts receivable are due, for the most part, from various levels of government and students. The carrying amount of accounts receivable has been reduced through the use of an impairment allowance, set up based on the University's historical experience regarding collections.

The aging of accounts receivable at March 31 is as follows:

	2019	2018
Accounts Receivable, gross		
Current	\$ 3,795	\$ 4,336
Past Due	2,683	3,004
	6,478	7,340
Less: Allowance for Doubtful Accounts	(1,077)	(1,023)
Accounts Receivable, net	\$ 5,401	\$ 6,317

The credit risk on cash and cash equivalents and short and long term fixed income investments is considered low as the counterparties are highly rated financial institutions.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

Interest Rate Risk

Interest rate risk is the potential for financial loss caused by fluctuations in fair value or future cash flows of financial instruments because of changes in market interest rates.

The University is exposed to this risk through its cash equivalents and long-term liabilities. Generally, the value of cash equivalents increases if interest rates fall and decrease if interest rates rise. Due to the short term nature of the cash equivalents, the University has minimal exposure to risk associated with changes in interest rates. Long-term liabilities are primarily at fixed interest rates and terms and are measured at amortized cost using the effective interest method; therefore have no exposure to risk associated with changes in interest rates.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

Liquidity Risk

Liquidity risk is the risk that the University will not be able to meet all cash outflow obligations as they come due. The University mitigates this risk by monitoring cash activities and expected outflows through extensive budgeting and maintaining investments that may be converted to cash in the near-term if unexpected cash outflows arise. As cash equivalents are held in a premium money market fund in which at least 90% of the assets must be comprised of liquid investments, the exposure to liquidity risk is not considered material.

Current liabilities include deferred revenue and accrued vacation pay which will not be settled directly with cash. The sum of remaining liabilities is less than the value of current assets as at March 31, 2019.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

16. University of Winnipeg Trusteed Pension Plan (the Plan)

The Plan was established as a contributory defined benefit pension plan effective September 1, 1972 and covers substantially all employees of the University, except those who are members of the United Church of Canada Pension Plan. The Plan is registered under the Income Tax Act and the Manitoba Pension Benefits Act (Registration #309914). The defined benefit segment of the Plan was closed to new members effective January 1, 2001. New plan members effective January 1, 2001 join the defined contribution segment of the Plan.

Prior to July 2008, the University was responsible for the administration of the Plan. An independent Board of Trustees is now responsible for the administration of the Plan and is the trustee of the pension fund. The pension fund assets are invested on the advice of professional investment managers and are held under a Trust Agreement by a trust company.

Contributions are made by the University based on the salary of each active member in accordance with the provisions of the Plan. Members do not contribute if they are in receipt of benefits from the University's LTD plan.

Defined Contribution Obligation

Members of the defined contribution segment contribute 6.2% of their salary not in excess of \$115.1 plus 30% of the Canada Pension Plans Year's Maximum Pensionable Earnings (YMPE) to the Plan. The University contributions match member contributions.

The activity in the defined contribution segment of the Plan in the period was:

	Dec. 31, 2018	Dec. 31, 2017
Balance, Beginning of Year	\$ 77,441	\$ 68,169
Contributions	6,897	6,560
Benefits and Refunds Paid	(3,046)	(3,550)
Net Investment Return	(1,107)	6,262
Balance, End of Year	<u>\$ 80,185</u>	<u>\$ 77,441</u>
Expense recognized for the period ending December 31	\$ 3,461	\$ 3,250

Defined Benefit Obligation

Pensions are provided on the basis of final average earnings and service. The maximum pension per year of service is \$1.722. Inflation protection is provided based on the four year average net investment earnings of the pension fund in excess of 6%, limited to the increase in the CPI. At the December 31, 2017 valuation of the defined benefit segment of the Plan, there were 118 active members with an average age of 59.1. There were 35 former employees entitled to deferred pension benefits and 287 retirees and survivors receiving pension benefits.

Members contribute 8.0% of salary up to the Canada Pension Plan Year's Basic Exemption (YBE), 6.2% between the YBE and YMPE and 8.0% in excess of the YMPE. Members contribute only on salary not in excess of \$86.1 plus 30% of the YMPE.

The University contribution formula rates are 100 basis points higher than the member contribution formula rates. The University also contributes any additional amounts required under the Pension Benefits Act.

In accordance with the Pension Benefits Act, an actuarial valuation of the defined benefit segment of the Plan is required at least every three years. Valuations may be required more frequently depending on the financial position of the Plan. As the Plan is currently under 90% funded on a solvency basis, annual valuations are required.

Actuarial valuations are performed by Eckler Ltd. (Eckler) using the projected benefit method. The latest actuarial valuation of the Plan was prepared and filed with the Manitoba Pension Commission as at December 31, 2017, and the results were extrapolated to December 31, 2018. There is a net unamortized actuarial loss to be amortized on a straight-line basis over the expected average remaining service of the employee group (6.3 years).

THE UNIVERSITY OF WINNIPEG
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended March 31, 2019
Amounts in Thousands

Actuarial valuations are based on a number of assumptions about future events, such as inflation rates, interest rates, salary increases and mortality. The assumptions used reflect the University's best estimates. At December 31, 2018, the expected future inflation rate is 2.00%. Salaries are assumed to increase 3.00% per year, plus a promotion and merit increase for academic members only. Pensions are assumed to increase by 0.75% per year. The discount rate used to determine the accrued benefit obligation and current service cost is 5.90%.

Pension fund assets are valued at market values. The expected rate of return on plan assets net of investment expenses is 5.90%. The actual return on pension fund assets in 2018 was -2.95%.

Change in Accrued Benefit Obligation - Calendar Year Ending December 31

	2018	2017
Accrued Benefit Obligation, Beginning of Year	\$ 142,536	\$ 141,537
Current Service Cost	1,455	1,635
Interest Cost	7,990	8,116
Benefits and Refunds Paid	(11,001)	(11,891)
Actuarial (gain) loss	(583)	3,139
Accrued Benefit Obligation, End of Year	<u>\$ 140,397</u>	<u>\$ 142,536</u>

Change in Market Value of Plan Assets - Calendar Year Ending December 31

	2018	2017
Market Value of Plan Assets, Beginning of Year	\$ 137,241	\$ 131,687
University Contributions	3,667	3,483
Member Contributions	582	674
Benefit Payments	(11,001)	(11,891)
Actual Return on Plan Assets	(3,941)	13,462

Post-retirement indexing	0.75	0.75
Rate of salary increases	3.00	3.00
Expected rate of return on plan assets	5.80	5.95

Significant Actuarial Assumptions used in the determination of the defined benefit obligation at December 31 are:

	%	%
Discount rate	5.90	5.80
Post-retirement indexing	0.75	0.75
Rate of salary increase	3.00	3.00

Funding Obligation

In the event that the actuarial valuation of the Plan for funding purposes determines that the Plan is not fully funded, the University is responsible for providing adequate funding levels in accordance with the *Pension Benefits Act of Manitoba*.

The actuarial valuation at December 31, 2017 confirms that the defined benefit segment of the Plan has a solvency deficiency of \$33,079 and a solvency ratio of 0.758 (2016 - 0.723).

The University would normally be required under the *Pension Benefits Act* to make additional contributions to amortize the solvency deficiency over a five year period. However, the Provincial Government has provided universities in Manitoba with an opportunity to be permanently exempted from the usual solvency funding requirements, while the Plan continues on a going-concern basis. The University Pension Plan's Exemption Regulation (Regulation 141/2007) was registered October 15, 2007. The University has complied with all requirements to be entitled to the permanent exemption.

The going-concern deficiency at December 31, 2017 was \$18,670 and the annual deficiency funding payments are \$2,320, which the University will continue to make until the deficiency is eliminated.

In addition, because of the going-concern deficiency at December 31, 2017, the University was required to make an additional contribution in 2018 of \$638 (2017 - \$430) in order to fully fund the cost of accruing benefits and administration expenses.

THE UNIVERSITY OF WINNIPEG
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended March 31, 2019
Amounts in Thousands

17. Contractual Obligations

The University has operating lease obligations that cover equipment and building space integral to the University's operations. The lease obligations expire at various dates up to and including August 31, 2029. The above obligations require annual payments over the next five years and thereafter as follows:

	Lease	Contracts	Total
2019/20	\$ 1,792	\$ 200	\$ 1,992
2020/21	1,786	-	1,786
2021/22	1,852	-	1,852
2022/23	1,788	-	1,788
2023/24	1,752	-	1,752
Thereafter	6,016	-	6,016
	<u>\$ 14,986</u>	<u>\$ 200</u>	<u>\$ 15,186</u>

18. Contractual Rights

As part of its operations, the University enters into agreements with varying expiry dates for which it is entitled to receive leasing revenues. Total amounts outstanding from these agreements are as follows:

2019/20	\$ 874
2020/21	675
2021/22	547
2022/23	509
2023/24	509
Thereafter	3,414
	<u>\$ 6,528</u>

19. The University of Winnipeg Foundation Inc.

The University's Board of Regents approved the establishment of the University of Winnipeg Foundation Inc. in March 2003. The Foundation's vision is to strengthen, deepen and advance the University's mission through the creation of a long term income stream. The Foundation is a charitable not-for-profit organization and, as such, is exempt from income taxes under the *Income Tax Act (Canada)*.

The establishment of the Foundation is based upon mutually binding agreements between the University and the Foundation. Endowment Fund agreements formalize management of the Endowment Fund including the annual income allocation to the University from the Endowment Fund and payment of an administration fee from the Endowment Fund to the Foundation. The Coordination, Cooperation and Fund Agreement and the Occupancy and Support Agreement outline support services provided by the University to the Foundation and provide for an operating grant from the University to the Foundation. Details of resulting amounts are shown in the Related Parties Note 22.

As the Foundation is a controlled entity of the University, their financial statements have been prepared in accordance with PSAS for GNFPs, including the 4200 series of standards, as issued by the Public Sector Accounting Board.

The Foundation follows the restricted fund method of accounting for contributions. The Foundation maintains separate funds within its assets and follows the principles of fund accounting to record the day to day transactions.

20. University of Winnipeg Community Renewal Corporation

The University of Winnipeg Community Renewal Corporation (UWCRC) was incorporated on April 6, 2005 as a corporation without share capital. UWCRC is a charitable not-for-profit organization and, as such, is exempt from income taxes under the *Income Tax Act (Canada)*. UWCRC holds ownership interests in for-profit subsidiary entities that are taxable.

UWCRC's mandate is to support the University by developing a sustainable university community that promotes the attractiveness of the University to its faculty, staff, students, and the greater community. UWCRC will manage, as part of its mandate, projects on behalf of the University. This will involve the development of a comprehensive Campus and Community Development Plan, assessment of particular development projects and the development of partnerships with community, private and public sector organizations. Details of resulting amounts are shown in the Related Parties Note 22.

As UWCRC is a controlled entity of the University, their financial statements have been prepared in accordance with PS 4200 series of standards, as issued by the Public Sector Accounting Board.

UWCRC holds a 25% investment in the land and building situation at 491 Portage Avenue ("Property") in Winnipeg, Manitoba. The Property is a commercial complex comprising an office building, retail stores and a parkade adjacent to the University's main campus. The University is leasing office space in the Property.

The Property is pledged as security for an \$18,000 mortgage bearing interest at 5.49% maturing March 2031 and an advance bearing interest of 7.039% maturing June 2029 with Manulife Financial Inc. The funds were advanced to the 491 Portage Avenue Joint Venture. The principal outstanding at March 31, 2019 is \$9,793 (2018 - \$10,967). The mortgage and advance are secured by an \$18,000 debenture registered against the title of the property, share pledge agreements, and the postponement of claims by the joint venturers to a total of \$3,000.

UWCRC records its 25% investment in the Property on a modified equity basis as a result of significant influence.

The financial position of UWCRC at March 31 is summarized as follows:

	2019	2018
Statement of Financial Position:		
Assets		
Cash	\$ 2	\$ 70
Accounts receivable	5	46

21. 7049651 Manitoba Association Inc.

7049651 Manitoba Association Inc. ("Downtown Commons") was incorporated on December 29, 2014 as a corporation without share capital. The Downtown Commons is a non-charitable not-for-profit organization and, as such, is exempt from income taxes under the *Income Tax Act (Canada)*. The Downtown Commons is a controlled entity of UWCRC.

The Downtown Commons mandate is to supply long-term mixed-income residential accommodations, including accommodations for low to moderate income households on a Manitoba affordable (MMR) and rent-geared-to-income basis. A number of units have also been established for use by University of Winnipeg students.

THE UNIVERSITY OF WINNIPEG

22. Related Party Transactions and Balances

The Foundation and UWCRC are controlled entities of the University. The Trusteed Pension Plan, the 460 Portage Avenue Joint Venture and Diversity Food Services (Diversity) are also related parties. Diversity, an unincorporated joint venture, is related to the University by way of UWCRC owning 100% of the issued share capital of a numbered company which jointly controls Diversity.

During the year ending March 31, the University incurred transactions as follows:

	2019	2018
From the University to the Foundation:		
i) Gifts of residuals for endowment	\$ -	\$ 797
ii) Occupancy and Support Agreement	\$ 180	\$ 180
iii) Transfer of endowment funds	\$ 145	\$ 54
From the Foundation to the University:		
i) Transfer of annual donations	\$ 2,010	\$ 2,585
ii) Income allocation	\$ 1,732	\$ 2,050
iii) Occupancy and Support Agreement	\$ 180	\$ 180
From the University to UWCRC:		
i) Consulting fees (excluding GST)	\$ 166	\$ 203
From UWCRC to the University:		
i) Management fees	\$ 30	\$ 30
From the University to the Joint Venture:		
i) Lease expense	\$ 467	\$ 756
From the Joint Venture to the University:		
i) Service fees	\$ 61	\$ 100
From the University to Diversity:		
i) Food services	\$ 950	\$ 995
From Diversity to the University:		
i) Rental revenue	\$ 96	\$ 106

These transactions are recorded at the exchange amount which is the amount established and agreed to by the related parties. The University's share of the Joint Venture related party transactions has been eliminated upon consolidation of the Joint Venture.

At the end of the year, the amounts due to and from related parties are as follows:

	2019	2018
Due from related parties:		
Foundation	\$ 49	\$ 278
7049651 Manitoba Association Inc.	-	4
UWCRC	990	787
	<u>1,039</u>	<u>1,069</u>
Due from 460 Portage Avenue Joint Venture:		
Notes receivable (Note 5)	-	10,860
Due to related parties:		
Foundation	140	817
460 Portage Joint Venture	-	149
	<u>\$ 140</u>	<u>\$ 966</u>

THE UNIVERSITY OF WINNIPEG
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Year Ended March 31, 2019
Amounts in Thousands

In addition to those related transactions disclosed elsewhere in these financial statements, the University is related in terms of common ownership to all Province of Manitoba created departments, agencies and Crown Corporations. The University enters into transactions with these entities in the normal course of business. These transactions are recorded at the exchange amount.

23. 460 Portage Avenue Joint Venture

The University entered into an unincorporated Joint Venture Agreement with the Plug-In Institute of Contemporary Art (Plug-in) in July 2009. The purpose of the joint venture is to construct and operate a building primarily intended to provide space for the operations of the University and Plug-In on a break-even basis. The terms of the operation of the joint venture are defined in the Joint Venture Agreement. Both the University and Plug-In are registered charities, exempt from income taxes under the *Income Tax Act (Canada)*.

The joint venture consists of the bottom three floors of the building known as 460 Portage Avenue as well as the parking lot directly behind the building. Plug-In has one third ownership of the joint venture, with the University owning the remainder. The operations of the joint venture are managed by the University as a trustee of the joint venture.

The joint venture financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The following is a summary of the University's proportionate share of the financial position, results of operations and cash flows of the joint venture included in the consolidated financial statements for the year ended March 31. There are no significant differences in accounting policies from those followed by the University.

On November 6, 2018 an agreement was reached between the venturers to wind up the 460 Portage Avenue Joint Venture with the assets and liabilities being assumed by the University.

Cash flows used in financing activities	-	(154)
Net change in cash position	\$ -	\$ -

Some of these balances were netted against balances on the University's accounts on consolidation.

The intangible asset included in the joint venture represents the University's ability to obtain long-term financing and is valued at the amount agreed to in the Joint Venture Agreement. The University's portion of the intangible asset as well as certain other balances were eliminated in the University's accounts on consolidated.

24. Contingencies

The University is named as a defendant in litigations where legal action has commenced or is anticipated. While the ultimate outcomes of these proceedings cannot be predicted at this time, management and its legal counsel are of the opinion that, either the outcomes will not have a material effect on the financial position of the University, or the outcomes are not determinable. No provision has been made in the financial statements in respect of these claims.
