

1967-2007

The University of Winnipeg

The University of Winnipeg Foundation

**ANNUAL
REPORT
FOR DONORS
2006-2007**

The University of Winnipeg Foundation is a not-for-profit charitable foundation, dedicated to fundraising in support of the vision and mission of The University of Winnipeg and its Collegiate.

Founded April 1, 2003, the Foundation is one of the leading educational foundations in Canada, providing arms-length private fundraising to support excellence and accessibility in education.

The Foundation currently manages over \$31 million in endowed funds. It envisions a future where greater endowed assets are accumulated and invested to ensure dynamic possibilities for the University and its students for generations to come.

The University of Winnipeg Foundation Financial Statements 2006-2007 are available from The University of Winnipeg Foundation.

Message from The University of Winnipeg Foundation

An Outstanding Year in 2006 for The University of Winnipeg Foundation

Four years ago, The University of Winnipeg Board of Regents created The University of Winnipeg Foundation with the mandate of raising private funds in support of University priorities. This opened an important new chapter in our University's history.

These are exciting times for The University of Winnipeg and its Foundation. In 2007–2008, as the University celebrates its 40th Anniversary and moves into the public phase of its capital campaign, it is gratifying to see the many individuals, organizations, and corporations who share the dream to sustain and enhance the exceptional educational opportunities offered by The University of Winnipeg.

Our University community, alumni, and friends are responding with a tremendous show of support. Generous leadership gifts have been made, bringing about dramatic and positive change. Infrastructure and programs are being enhanced, and the University, along with the local community, are engaged in exciting community revitalization.

Private fundraising offers The University of Winnipeg and its supporters the opportunity to build great legacies together – with extraordinary results. At March 31, 2007, endowed funds held in trust by the Foundation reached a new high of \$31.7 million.

Growth in endowed assets provides greater support for University priorities. Since its 2003 start-up, the Foundation

has disbursed a total of \$8.5 million (at March 31, 2007) to the University for scholarships and bursaries, capital projects, and academic enhancements. In 2006-2007, donors invested \$7.3 million in advanced education through The University of Winnipeg Foundation.

A number of extraordinary gifts made this past year will transform our University: a commitment from the Province towards the University's Science Complex; the largest private gift in the University's history from the Richardson Firm, Family, and Foundation for the Richardson College for the Environment; and the University's largest corporate gift from CanWest Global Communications Corp. to establish the CanWest Centre for Theatre and Film. Such transformative gifts have a vital impact on the future success of our students.

Together, we are helping to make a difference, improving the lives of our citizens and shaping the future of our communities. Thank you for your visionary gifts for our students and University. Each and every gift has the power to change and improve lives.

New Endowment Funds

In 2006-2007, The University of Winnipeg Foundation created the following new endowment funds:

Aboriginal Governance Prize
Alaa S. Abd-El-Aziz Science Scholarship
Salem Abd-El-Aziz International Student Chemistry Scholarship
Betty Isfeld Entrance Scholarship
Jessiman Scholarship in Political Science
Helen Maroy Memorial Bursary
Rose & Stefan Maroy Memorial Scholarship
Opportunity Fund
Carolyn D. Rickey Bursary in History
Joan Ellacott Ross Bursary
Irene & Stuart Sanderson Bursary
Strub Family Bursary
Deer Lodge Bursary for Christian Leadership
Masters of Marriage & Family Therapy Alumni Bursary Fund
Janice Raleigh Memorial Bursary
Leonard Asper Family Collegiate Bursary
Board of Regents Endowment Fund
CRLS Directorship

Building Legacies through Endowed Funds

The University of Winnipeg Foundation is committed to the development and stewardship of endowment funds. These designated pools of capital are preserved in perpetuity and invested for the purpose of providing a reliable and continuous source of income to support University programs.

As of March 31, 2007, the endowed funds have grown by 51% since April 1, 2004, from \$21 million to \$31.9 million.

During the 2006 - 2007 fiscal year, the Foundation transferred \$952,937 in endowment income to the University. These funds are used in accordance with donor wishes to support student awards, purchase library materials, support lecture series and research, and other important University activities.

From left: Acting Dean Kathy Block, English & International Language Program, and scholarship students Will Turk, Huang Yaofeng, and Xie Chang Zhi at the home of Foundation President & CEO Susan Thompson (far right)

Student Awards

Gifts to support student awards have a special meaning for many donors. Scholarships and bursaries help students realize their full potential by allowing them to focus on their studies so that they can reap the full benefit of a high quality education at The University of Winnipeg.

At least as important as the financial support provided by student awards is the knowledge for students that friends and alumni of The University of Winnipeg care enough to make gifts that help them to achieve their dreams.

Manitoba Scholarships & Bursaries Initiative (MSBI)

The Province of Manitoba makes matching funds available to qualified Manitoba post-secondary educational institutions for gifts to support student awards. Gifts to support student awards at The University of Winnipeg were augmented by over \$782,200 from the Province's MSBI program in 2006-2007.

Leatherdale Internship Forum

On November 29, 2006, students Lindsay Porteous and Katie Josephson, recipients of the Dr. Douglas W. Leatherdale Global Citizen Internships, made presentations on their overseas experiences at a University-sponsored forum. The Leatherdale Internship Fund was established in 2006 with a generous donation from Dr. Douglas W. Leatherdale (United College '57, LLD '00).

Dr. Douglas Leatherdale, Lindsay Porteous, Katie Josephson, and Mrs. Louise Leatherdale at the Leatherdale Internship Forum, November 29, 2006

Wesmen National Champs

Under Head Coach Larry McKay, The University of Winnipeg Wesmen Men's Volleyball Team claimed their 10th Canadian Interuniversity Sport men's volleyball title with a thrilling victory on March 4, 2007. This is UWinnipeg's 20th National Championship title. Athletic Director Bill Wedlake especially appreciates the fans who continue to show great pride in their Wesmen Home Teams. This past year, over 75,000 people attended Wesmen events - 15,900 for the 40th Anniversary Wesmen Classic alone. Donors and sponsors showed strong support as well; the corporate family has grown to include 32 businesses and partners, contributing over \$250,000 in cash, goods, and services.

Report on The University of Winnipeg Campaign

Campaign Chair

R.M. (Bob) Kozminski

R.M. (Bob) Kozminski

Private fundraising returns in 2006 - 2007 reached unprecedented levels, with received donations of \$7.3 million – the greatest annual level of donor commitment in the history of this University. As we move towards the public phase of our Campaign in 2007, the excitement and participation continues to build.

Lead and Major Campaign gifts, so important to the success and future of our University and its Collegiate, are truly inspiring. We made three major announcements of such gifts this past year relating to capital improvements on campus:

- \$25 million from the Province of Manitoba to construct a new leading-edge Science Complex;
- \$3.5 million from Richardson Firm, Family, and Foundation to establish the Richardson College for the Environment; and
- \$3.0 million from CanWest Global Communications Corp. to create The CanWest Centre for Theatre & Film.

Foundation Board and Campaign volunteers continue to work quietly behind the scenes, helping to raise the standards of quality education. We are pleased to introduce The University of Winnipeg Campaign Cabinet members, who play a vital role in Campaign activities for our full alumni group and the broader community.

Fred Penner

Fred Penner and The University of Winnipeg Annual Appeal

Citing his experiences at The University of Winnipeg as having “created moments that I’ve never forgotten ... moments that shaped me as a person,” Fred Penner (BA '70) appealed to alumni and supporters of The University of Winnipeg to make a donation through the Fall 2006 Annual Appeal. “The University of Winnipeg continues to offer a nurturing environment to the young people, and the young at heart, who walk through its doors.”

Neil Harris Campaign

The Neil Harris Bursary Campaign, which included a benefit concert on November 26, 2006, raised close to \$40,000 for student bursaries in the creative arts. Bramwell Tovey,

Conductor Laureate, Winnipeg Symphony Orchestra and Musical Director of the Vancouver Symphony Orchestra, returned to Winnipeg to co-host the special concert, "Remembering Neil: A Tribute to Neil Harris."

Kreviazuk Launches Opportunity Fund

Chantal Kreviazuk (Coll. '90)

Rock star Chantal Kreviazuk, joined by husband Raine Maida, lead singer for Our Lady Peace, donated the net proceeds of her February 19, 2007 Winnipeg concert, part of her cross-Canada tour, to launch The University of Winnipeg's new Opportunity Fund.

"It means a lot to me to give back to a place that has given me so much," said Kreviazuk, who attended both The Collegiate and Balmoral Hall School in Winnipeg.

The Opportunity Fund will provide innovative support and incentives for inner-city children and under-privileged youth to attend The University of Winnipeg – including Aboriginal students, young people from war-affected nations, and refugee populations. Eligible students will earn tuition credits for completing high school along with bonuses for achieving high grades. The program will start as early as grade 4, with younger children earning credits by participating in UWinnipeg's Eco-Kids program.

Through The University of Winnipeg Campaign initiative alongside donor support, our goal is to build the Opportunity Fund endowment to \$10 million.

Chantal Kreviazuk accepting student "thank you" presentation at concert reception February 19, 2007

Inset: Celebratory dance with University President Axworthy

Extraordinary New Science Complex

At the heart of the University's campus development plans is a new downtown Science Complex made possible through support of \$10 million announced by the Province of Manitoba on November 16, 2006, with a further matching commitment of \$15 million.

The University will set an important example of environmental stewardship in the construction of the new Complex by conforming to leading environmental standards in the choice of materials and construction methods and the use of sustainability strategies for energy reduction and recovery.

To the benefit of the entire community, the new complex will be fully certified under the LEED (Leadership in Energy and Environmental Design) Green Building Rating System, enhancing Manitoba's world-wide reputation as an environmental leader under the Government of Manitoba's Green Plan.

The University's Science Complex will house the new Richardson College for the Environment and create leading-edge science capabilities for University of Winnipeg graduates. This capital project offers an exciting growth area for The University of Winnipeg.

Situated on Portage Avenue and connected to the campus by a new Urban Green Space – a green corridor planted with native prairie vegetation – the Science Complex strengthens the growing network of modern science facilities within Manitoba.

\$3.5 Million Donation to Create the Richardson College for the Environment

Largest Private Gift in University History

From left: H. Sanford Riley, James R. Richardson (Coll. '68), Hartley Richardson (Coll. '72)

On September 12, 2006, the Richardson Firm, Family, and Foundation donated \$3.5 million to establish the Richardson College for the Environment and Urban Green Space. This donation is an important step in an innovative plan to enhance science education and research at The University of Winnipeg.

“The College will be on the cutting-edge of environmental studies and sciences and will be international in scope,” said Hartley Richardson, President & C.E.O. of James Richardson & Sons Ltd. “We wholeheartedly stand behind this important initiative to equip future graduates with the skills they need to become effective global stewards.”

The new College will specialize in key emerging areas of environmental research including: forest ecology; urban ecology; the global North; waster resources; and environment and health. Courses will also be offered that link indigenous practices and scientific study to engage the University’s Aboriginal community.

University of Winnipeg President and Vice-Chancellor Lloyd Axworthy noted that the new College will help establish environmental partnerships provincially, nationally, and internationally. “We are thankful to the Richardson family for their generosity and leadership.”

SCIENCE AT THE UNIVERSITY OF WINNIPEG

The College promises to be a model of energy efficiency and “green” building technology reflecting the University’s recently adopted Sustainability Policy.

“We take considerable pride in the accomplishments of this University and The Collegiate. The associations we have with this place have contributed to a long-standing affection for a significant institution that has influenced our city’s history and is shaping the future for generations to come,” said Hartley Richardson, a Collegiate alumn.

University President Lloyd Axworthy

University of Winnipeg Foundation President & CEO Susan Thompson said the University and the broader community will both benefit from the Richardson family’s extraordinary gift. “The importance of environmental stewardship in today’s world makes this a gift of lasting significance.”

\$3 Million Gift Creates CanWest Centre for Theatre and Film

University President Lloyd Axworthy (BA '61, LLD '98), CanWest Global Communications President and CEO Leonard Asper (Collegiate '82), University of Winnipeg Foundation President and CEO Susan Thompson ((Collegiate '67, BA '71), Campaign Chair R.M. (Bob) Kozminski (BA '67), Theatre and Film Department Chair Doug Arrell

On December 12, 2006, CanWest Global Communications Corporation announced a corporate gift of \$3.0 million to establish the CanWest Centre for Theatre & Film. This extraordinary gift will further enhance the national prominence of The University of Winnipeg's highly regarded Department of Theatre & Film and affirm its reputation as a centre of excellence in theatre and film studies in Canada.

The announcement was made by CanWest's CEO Leonard Asper, who is a University of Winnipeg Collegiate alumnus and a founding member of The University of Winnipeg Foundation.

"We at CanWest believe that arts are the soul of the community, and we are proud to be part of this dynamic project," said Asper. "The vision, commitment to excellence, and talent pool in the University's theatre and film studies appealed to us, as both corporate citizens and investors. Theatre and film graduates make a significant contribution to Canadian theatre and television," he added.

UWinnipeg students perform *Age of Aquarius* to full house at December 12, 2006 CanWest announcement.

"We rely on their skills to help our company grow. Support for performing arts and post secondary education are two of CanWest's priority areas of community support."

The CanWest Centre for Theatre and Film will include a 120-170 seat flexible theatre and modern facilities for lighting, sound, and film and media production. It will also house acting and rehearsal studios, and spaces for training students in costuming, make-up, stagecraft and property-construction.

"CanWest's inspirational gift will help us produce the brightest and best-educated graduates in theatre and film in Canada," said President Axworthy. "This new Centre will offer tremendous support to our national cultural industries and local arts community."

"This unprecedented corporate gift demonstrates the kind of vision we know and appreciate about CanWest. Thank you, CanWest, for making this dream come true," said University of Winnipeg Foundation President and CEO Susan Thompson.

The CanWest gift is the largest corporate gift in the University's history. It builds on an earlier donation of \$4.3 million by the Province to purchase and renovate the building at 400 Colony Street. \$1.2 million in capital funding from the University and a campaign for \$1.3 million for capital and equipment will move this project to completion.

The Collegiate Campaign

Campaign Chair

Dr. James D. MacDonald

Our alumni take pride in having attended The Collegiate, Manitoba's oldest high school. The Collegiate began 136 years ago as part of Manitoba College, upholding its traditions of excellence through the days of the United Colleges and through to 1967 as the Collegiate division of The

University of Winnipeg. This year, The Collegiate also celebrates 40 years as The University of Winnipeg Collegiate.

Thousands of students attended The Collegiate over these periods, thanks to the commitment of their families who could afford the cost of tuition. One of the chief aims of The Collegiate Campaign is to help those students who cannot afford full tuition but who would flourish in The Collegiate atmosphere.

The Collegiate Campaign is making excellent progress. To date, over \$2.5 million has been donated by Collegiate Alumni and their families. The majority of these funds have been directed to bursaries to give promising students an opportunity to attend The Collegiate.

*Collegiate alumni Dr. James D. MacDonald (Coll '64, LLD '05) and
 Rhodes Scholar Alanna Lajoie-O'Malley (Coll '00, BA Hons '06)*

Inspiring People to Care About Education

The University of Winnipeg Foundation is pleased to welcome donors into its Legacy Circle - donors who have chosen to support The University of Winnipeg's vision for dynamic educational programming in the future.

The Legacy Circle recognizes donors who make a planned gift through a bequest, life insurance, publicly traded securities, and other deferred gift arrangements. By joining The Legacy Circle, donors can help celebrate the University's achievements and stay well informed about new activities and exciting new programs.

Legacy Gifts

The University of Winnipeg Foundation gratefully acknowledges the legacies that are having an impact on the lives of our students today and those that are being created for the future. While some gifts are unrestricted, others create new scholarships and bursaries or enhance existing funds, providing increased accessibility for students. Our Legacy Circle donors' interest and support is as individual as the donors themselves.

Legacy Circle member Kay Birchall hosts an annual dinner for award winners of the Roger & Kathleen Graham Scholarship
