Greetings

2008 - 2009 was a successful year for fundraising for the University and its Collegiate. Donor gifts to 'A World of Opportunity' Campaign, combined with University support from all levels of government, are helping to transform our urban campus and revitalize our City's downtown region.

We are grateful for the generous gifts of our internal community, our alumni, and our friends. Gifts from suppliers, corporations, and foundations and also estate gifts continue to bolster our Campaign and support both current and future needs of our institution.

Our 6th Anniversary year was filled with excitement. The University's capital projects saw great forward movement despite global financial downturns.

We are especially appreciative of Dr. Ray McFeetors' and Great-West Life's combined gift of \$2.7 million to establish a new University residence, supported as well through gifts to the University's Doors and Windows Campaign.

Each gift to this Campaign, large and small, and each legacy gift for the future help create a world of opportunity for students now and for generations to come. We thank our donors for embracing the University's vision of excellence and accessibility in education.

Greetings

Susan A. Thompson
Foundation President and CEO

I am continually refreshed and inspired by the spirit of generosity of our community. Our board members, campaign volunteers and donors give selflessly of their time and resources.

Gifts to 'A World of Opportunity' Capital Campaign reached \$64.3 million in cash and pledges at March 2009, up from \$55.5 million announced at the November 2007 Campaign launch. Of that, cumulative private gifts since 2003 are over \$34.1 million in cash and pledges.

Thanks to support from our donors, the Foundation's total gifts to the University from endowment, designated, undesignated and unrestricted funds this year surpassed \$5.9 million. Cumulative cash gifts and transfers to the University since 2003 total over \$18.6 million.

During 2008 -2009, contributed capital in the Endowment Fund grew through new contributions of over \$3.1 million to reach \$31.8 million. This represents growth of 99% from \$16 million in contributed capital at Foundation start-up in 2003. The Foundation completed its 2008-2009 Endowment Fund gift of \$1.1 million to the University ahead of schedule, prior to market downturns.

Also in response to the economy, we reduced operational expenses by 25% to finish the year with a balanced budget. The University's return on investment, based on cumulative grants of \$2.6 million to the Foundation over six years, is 13 to 1.

To our volunteers and donors, we extend sincere thanks. Together, we are opening the doors of higher learning for all.

Thank You, Chancellor Riley

The University of Winnipeg Foundation expresses its deep appreciation to H. Sanford Riley for nine years of service as Chancellor of The University of Winnipeg. His leadership, vision and energy have had far-reaching impact.

Riley served as Chancellor through a period of remarkable growth while also serving "double duty," helping to establish The University of Winnipeg Foundation in 2003 and serving as its founding chair, a role in which he continues.

During his time as Chancellor, our University and Foundation launched the largest capital campaign in our University's history with a \$70-million goal - an initiative well on its way to successful completion.

Riley's passion for Canadian history is expressed through the generous donation made by he and his wife Debbie to establish The H. Sanford Riley Fellowships in Canadian History. A tremendous asset to the University and to the nation, the Fellowships foster dynamic relations between the University and the country's distinguished historians.

Our community is deeply indebted to Riley for his many volunteer roles. Widely recognized for his outstanding work as Chair of the 1999 Pan American Games in Winnipeg, he also served as Chair of the United Way Campaign in Winnipeg, the Manitoba Sports Federation, and the Business Council of Manitoba.

A world-class sailor and former Olympian, Riley is an enthusiastic golfer and a Lake of the Woods cottager - a pleasure shared with his wife Debbie and their three children.

Chancellor
H. Sanford Riley

A World of Opportunity

CAPITAL CAMPAIGN

Campaign Report

The University of Winnipeg's 'A World of Opportunity' Capital Campaign, launched in November 2007, continues to build momentum.

At March 31, 2009 the Campaign has raised over \$64.3 million. Thanks to its generous and dedicated community, the University is on the home stretch of the most ambitious fundraising plan in its history and is poised to surpass the \$70 million Campaign goal.

*R.M. (Bob) Kozminski
Campaign Chair*

Through 'A World of Opportunity' Capital Campaign, The University of Winnipeg aims to be a leader in Aboriginal education, in environmental studies, in theatre and film, in history and global studies, in meeting the unique needs of its students and in serving as a catalyst for urban renewal in downtown Winnipeg.

The University of Winnipeg Foundation is grateful for the support of donors and friends. Donations to student awards such as the Opportunity Fund and to capital projects like the Richardson College for the Environment and Science Complex become transformational gifts that provide unique opportunities for The University of Winnipeg and its Collegiate to help shape the future of students and the surrounding community.

New Student Residence, Thanks to Dr. Ray McFeetors and Great-West Life

An exciting and important development in the Campaign and the University's campus development plan was the announcement on May 20, 2008 of the new McFeetors Hall: Great-West Life Student Residence.

UWinnipeg Distinguished Alumnus Dr. Raymond L. McFeetors (Coll. '65, BA '68, LLD '07) and Chair of the Board of Great-West Lifeco Inc. embraced the University's vision of a greater downtown campus for the community. McFeetors made a personal gift of \$1.67 million launching development of an innovative student residence for The University of Winnipeg.

Great-West Life committed a further \$1 million to the project for a combined gift of \$2.67 million to help make the student residence come alive.

With appreciation and in recognition for these leadership gifts, the residence has been named McFeetors Hall: Great-West Life Student Residence. McFeetors Hall: Great-West Life Student Residence is located on the north-east side of the new Richardson College and Science Complex site at Portage Avenue and Langside Street in downtown Winnipeg. Construction began on July 28, 2008 with occupancy planned in 2009-2010.

Construction Underway on Richardson College for Environment and Science Complex

Much excitement and interest is focused on activities and fundraising for the University's new Richardson College and Science Complex site.

Taking part in the November 13, 2008 sod-turning ceremony were Premier Gary Doer, Dr. Lloyd Axworthy, Hartley Richardson, and Susan Thompson

Members of the University, government and business communities attended a special sod-turning event under a white top tent on November 13, 2008 at the University's new west campus on Portage Avenue.

Major Gifts Support Advanced Laboratories

Major contributions this year include a generous gift of \$200,000 from Ricoh /IKON Canada to support initiatives of The Richardson College for the Environment and Science Complex.

Ricoh/IKON makes their gift announcement at a signing ceremony. L to r: Janet Walker, Bill Balan, Ricoh Canada President Glenn Laverty, IKON Canada President Sean Smith, Susan Thompson.

The gift establishes The Ricoh Laboratory for Environmental Analysis and helps the University become a more sustainable campus through improved technologies.

Lafarge Canada announced its support with a \$200,000 donation for cutting-edge laboratories in the new Richardson College and Science Complex. In recognition of Lafarge Canada's generosity, a laboratory devoted primarily to freshwater ecosystems will be named the Lafarge Laboratory for Physiology, Aquatic and Environmental Research.

Lafarge Canada's Andy Dufield, Vice-President of the Greater Winnipeg Area, at centre, announces Lafarge gift in December 2008. Seated with him are University President LLOYD Axworthy and University of Winnipeg Foundation President & CEO Susan Thompson.

Tremendous Support for Campus Giving

The University of Winnipeg community including faculty, staff, Board of Regents, members, Foundation staff, retirees and students have raised an impressive \$3.4 million since the launch of the Campus Campaign in 2005. The majority of funds raised are directed to student awards and capital projects.

Take Your Seat!

Friends and Alumni Making Lasting Gifts

Restoration and renovation is near completion on the CanWest Centre for Theatre and Film. Thanks to our generous donors, the new theatre features state-of-the-art performance, production and teaching facilities, adding capacity to Winnipeg's thriving arts scene with updated editing labs and a new adaptable black box theatre.

Final stages of fundraising include an exciting 'Take Your Seat' Campaign to raise money for theatre equipment and finishing touches.

Over 40 generous graduates and friends of The University of Winnipeg Theatre & Film Department have donated gifts of \$500 to the 'Take Your Seat' Campaign. Donor contributions of \$500 or more will be recognized with a named plaque. Donors may participate while seats remain available.

The Foundation extends special thanks to Department Chair Doug Arrell, 1998-2008, for his leadership and vision.

Theatre and Film Student Association President Michael Duggan is equally at home helping with theatre props and fundraising.

Gala Gold Sponsor RBC Dominion Securities welcomed students and guests from The Collegiate and Foundation at its corporate table.

"I never thought I would learn so much about life from a high school. I didn't think I'd meet teachers and students anything like the amazing people I met at The Collegiate in my two years there. And now that I'm graduating, I'm ready to keep moving forward in life. That has a lot to do with the opportunity you gave to me.

...I don't think I could have grown the same way going to any other school. I like to think that I've had the life skills within me all along, but it was at The Collegiate that I was taught the mindset to use them.

From the heart,"

Endowment Fund Gifts

Contributed Capital Reaches \$31.8 Million

To our Endowment Fund supporters, a group which includes Faculty and Staff members, alumni and friends, we extend a special thank you. During times of extreme market volatility, our donors have been steadfast in their support of higher education.

Whether established years ago or newly founded, each fund is unique and valued. We appreciate the extraordinary commitment that lies behind each individual fund. This was a strong year for endowment contributions despite the market downturn which was underway throughout the year. New contributions to endowments this year were \$3.1 million, compared to \$2.4 million the year before.

In the period from April 1, 2003 to end of March 2009, contributed capital in the Endowed Funds supporting The University of Winnipeg and its Collegiate in total has almost doubled, from \$16.6 million to over \$31.8 million. These gifts speak to the generosity of our donors

and the value they place on higher education as they build on the traditions, pride, and accomplishments of our University and Collegiate.

From left: Geography Prof. Bill Buhay, Dr. Jennifer Brown, Director, Centre for Rupert's Land Studies, and Prof. Danny Blair, with Endowment Fund donors Dr. C. Richard Harington and Gail Harington.

Dr. C. Richard Harington, Curator of Quaternary Zoology Emeritus and Research Associate at the Canadian Museum of Nature, is honoured for his generous endowment of the Harington Fellowship in the Centre for Rupert's Land Studies at The University of Winnipeg. Since 1989, there have been 22 Harington Fellows, 8 of whom were in attendance at the October 2008 Bonnycastle Lecture: Anne Lindsay, Jenifer Ching, Dr. Alvina Bock, Bill Temple, Mrs. Gail Harington, Dr. Harington, Dr. Roland Bohr, Dr. Scott Stephen, Monique Olivier, and Dr. Donna Young.

Former Pastors of the Windsor Masonic Lodge No. 138 present a cheque for \$75,000 to create the Windsor Masonic Opportunity Bursary and provide current funds for the Duff Roblin Scholarships for the new Aboriginal Governance Masters Program.

Wu Chung Scholars Huang Yaofeng (Joe), Qianying Lin (Evelyn), Liu Jiamin (Camin), Xie Chang Zhi (David)

The University of Winnipeg Foundation began the year with great excitement thanks to a second generous gift of \$1 million donated by Hopewell Holdings Limited, which was founded and chaired by Hong Kong businessman Sir Gordon Wu. Sir Wu created the Wu Chung Scholarship Fund as a tribute to his father, Wu Chung, who believed in the value of education. The combined \$2 million fund is the largest international scholarship in The University of Winnipeg's history.

2008-2009 Gifts for Awards and Programs

As of March 2009, The University of Winnipeg Foundation stewards 471 individual Endowment Funds which are pooled for investment and account management purposes. Since 2004, 115 new funds have been added to the Endowment Fund, with 20 added in 2008-2009.

Over the year, the Foundation made endowment gift transfers of \$1.1 million to the University for use according to the terms of reference for each fund. In response to market conditions, the Foundation completed the scheduled gift payments in full and ahead of schedule.

Of the endowment gifts, over 84% of funds are allocated for scholarships, bursaries and prizes. Roughly 16% of funds provide support for chairs, fellowships, research, lectures, library acquisitions, and other programs and projects according to donor directions.

The University of Winnipeg honoured Dr. H. Vincent Rutherford's tremendous contribution with a plaque at the entrance to the Library. The University and Foundation mourned the loss of Dr. Victor Batzel and Dr. Henry E. Duckworth in the last year, pictured here with Karen Hunt, former Librarian and Dr. Howard Elliott, Class of '65 and a past student of Dr. Rutherford's.

Kathleen Birchall, Class of '41, hosts an annual dinner for recipients of the Roger and Kathleen Graham Scholarship in History and English and their families. Dr. Greg Kennedy (back row), the first Graham Scholar in 1997, is now a Post-Doctoral Fellow, Department of History, University of Guelph. Pictured as well are Graham Scholars Erica Haughey (2008), Ashley Marcinkow (2002), Danielle Dubois (2006), Joel Hayes (2007), and Marcia Hamm (2005, née Krahn) with husband Tim Hamm.

Cumulative Endowment Gifts to the University*

*While 2003 fundraising was conducted by the Foundation, the Endowment Fund was held by the University until transfer to the Foundation in 2004. The Endowment Fund gift in 2003 was approximately \$.9 million, for total donor Endowment Fund gifts for 2003-2009 of \$5.8 million.

Friends and family of retiring Athletic Director Bill Wedlake gave full support to athletic fundraising at Wedlake's December 2008 retirement ceremony.

In Memoriam

The University of Winnipeg Foundation and The University of Winnipeg were profoundly saddened at the passing of University President Emeritus Dr. Henry (Harry) E. Duckworth '35 on December 18, 2008.

*Dr. Henry E. Duckworth, OC
University of Winnipeg President Emeritus &
University of Winnipeg Foundation Director Emeritus*

"Dr. Duckworth is the epitome of what The University of Winnipeg stands for - academic excellence, commitment, dedication and generosity. In many ways, he symbolizes our distinguished history with his nurturing of higher education and his belief in our institution and the students we serve," said University President Axworthy.

Appointed to The University of Winnipeg Foundation's Board of Directors in 2003, Dr. Duckworth additionally served as the Honorary Chair of the Internal Campus Campaign. "To the very end he was the most committed supporter The University of Winnipeg ever had and we will miss him profoundly," said UWinnipeg Chancellor and Foundation Chair H. Sanford Riley.

In addition to serving at UWinnipeg, Dr. Duckworth contributed to governance and administration at United College, the University of Manitoba, Wesleyan University, McMaster University, and Université Laval.

The University of Winnipeg Foundation and University community, friends and colleagues everywhere will greatly miss this extraordinary man.
