

THE UNIVERSITY OF WINNIPEG

# French in Manitoba Public Service

## PRESENTATION

### January 24<sup>th</sup>

### 6:00-6:45pm

### Microsoft Teams

ID: 234 003 633 344

Passcode: YTdXaE

Erik Klassen of Service Manitoba will present useful information about government jobs, both temporary and long-term, which require French language skills. The presentation is open to all students who are interested in discovering how learning French may help them become employed in the Manitoba Public Service workforce. Although the jobs require French, the presentation itself will be in English.
