

International Baccalaureate Transfer Credit and Advanced Standing Policy

2023 / 2024

Grade Conversion

IB 7	A+
IB 6	A
IB 5	B+
IB 4	B

A. Definitions

1. Transfer Credit (TR. CR.) – When a “Transfer Credit” is granted, the course counts as credit towards a degree.
2. Advanced Standing (AD. ST.) – When “Advanced Standing” is granted, the course counts as a pre-requisite standing to allow registration in second and/or third year courses, but it does not count as credit towards a degree.

B. General Policy Guidelines

The following guidelines are under continuous review and are subject to change.

The course equivalents are for incoming Fall 2023 applicants. Any changes to course equivalents are not applied retroactively and no changes will be made to existing credit or IB credits obtained in previous years.

1. IB courses will be considered for transfer credit or advanced standing to a maximum of 30 credit hours.

Please note: The University equivalent of International Baccalaureate courses are under continual review and subject to change without notice. Requests for transfer credit must be submitted within four months of the student's first term at The University of Winnipeg.

Request for University Credit for International Baccalaureate Courses

If you would like your results from your International Baccalaureate examinations to be assessed for possible transfer credit towards your University of Winnipeg degree program, please complete and return this form to the Admissions Office.

No transfer credit will be assigned unless specifically requested on the listing below.

Please note: The Admissions Office must see the official statement of your results from the International Baccalaureate Organisation. If you have not previously requested that your results be made available to The University of Winnipeg online, you must include an official copy of your results with this request form. Transfer credit can only be assigned AFTER you have received acceptance into the University and provided the Admissions Office with your final IB results.

Should you have any questions concerning the policies on transfer credit, please contact the Admissions Office at 204.786.9159.

Should you have questions about the effect such credit may have on your future University studies, please contact the Academic & Career Services at 204.786.9257.
