## Pre-Professional Studies

[uwinnipeg.ca/pre-professional](http://uwinnipeg.ca/pre-professional)

Pre-professional pathways prepare students for their professional program of choice, and they can be used to fulfil the admission requirements for professional programs at other universities in Canada, the U.S., and around the world.

### Direct-Entry Pathways

Students in Canada do not begin studies related to many popular professions, including medicine, law and dentistry, directly from high school. These programs require several years of undergraduate coursework before students are eligible to apply.

While completion of a UWinnipeg pre-professional program does not guarantee admission into a professional faculty, you will benefit from our small class sizes, personalized instruction, and state-of-the-art science facilities.

Students must be aware of restrictions international students may face with admissions to professional programs, and they should do their own research on professional schools (which ones accept international students and their entrance requirements) prior to applying or beginning any of these programs. Many of our pre-professional studies lead to a bachelor's degree, which will offer flexibility and options for graduates.

### Programs Available

Pre-Chiropractic

Pre-Dentistry

Pre-Law

Pre-Medicine

Pre-Occupational Therapy

Pre-Optometry

Pre-Pharmacy

Pre-Physical Therapy

**If you change your mind, courses taken as part of a pre-professional program are applicable to other UWinnipeg degree programs.**

**You can also take courses from outside your major to complete requirements for your degree!**

# How to Apply

[uwinnipeg.ca/apply](http://uwinnipeg.ca/apply)

## 01.

### Create an account

Visit [uwinnipeg.ca/apply](http://uwinnipeg.ca/apply) to create an account and then log in.

Complete the application form, selecting an undergraduate program, a faculty, and a major. Submit the application form and pay the CAD \$120 application fee.

**Keep these application deadlines in mind as you apply (you must submit a complete application and all documents):**

- › Fall Term (September): May 1
- › Winter Term (January): September 15
- › Spring Term (May): February 1

## 02.

### Submit required documents

After you submit the application form and pay the application fee, you will receive an email confirmation listing the supporting documents required. Upload the documents directly to the application portal.

Documents not in English will require official translation.

## 03.

### Receive your offer

(Only for students requiring a visa. All other applicants skip to the next step.)

Admissions will assess your documents and determine your eligibility for an Offer of Admission. Once you receive your Offer of Admission, pay your CAD \$10,000 tuition deposit.

Making a financial commitment to the university positively impacts visa success. Deposits also allow us to provide better, targeted support to bonafide students in their transition to The University of Winnipeg. Deposits are 100% refundable in cases of visa refusals.

## 04.

### Receive your official Letter of Acceptance (LOA) and Provincial Attestation Letter (PAL) (If required)

Your official LOA will list your eligible start terms, expected fees, program of study, and important information required to apply for your visa.

If you require a PAL, you will automatically receive it along with your LOA. Admissions will determine whether applicants require a PAL, based on current IRCC requirements.

## 05.

### Apply for your visa and study permit

If you require a visa and/or study permit, submit your LOA and PAL to IRCC (Immigration, Refugees and Citizenship Canada)

## 06.

### Register for courses

You will receive notification of your registration start date and time. Note that you can register any time from the date provided to the start of term. However, since registration is on a first-come, first-served basis, space availability becomes increasingly limited as it gets closer to the start of classes.

Don't worry! Our International Academic Advisors will connect with you before you arrive to invite you to a presentation covering all of your next steps as an international student, including how to choose courses.

### Connect with UWinnipeg

# The Collegiate

[collegiate.uwinnipeg.ca](http://collegiate.uwinnipeg.ca)

The University of Winnipeg Collegiate is a high school at university, offering students an exceptional pre-university pathway program where they connect with high achieving students from around the world in an environment with an established tradition of academic excellence.

## UWinnipeg Pre-University Pathway Program (UW-PUPP)

A rigorous academic program that ensures students are prepared to meet the challenges of undergraduate studies, while seamlessly transitioning into their UWinnipeg program.

The UW-PUPP is for academically strong students who do not currently meet undergraduate entrance requirements.

### Advantages of our preparatory program:

- › **Obtain Canadian secondary credentials:** A Manitoba provincial high school diploma fulfils the academic and English language requirements to begin university.
- › **Demonstrate a solid study plan:** Successful applicants receive two letters of acceptance: one from the Collegiate, and a conditional acceptance to The University of Winnipeg, showing a firm commitment to a course of study in Canada.
- › **Study dual credit courses:** Students beginning their program in the Spring Session may accelerate their studies by studying dual credit courses to earn secondary and post-secondary credits concurrently. The cost of these courses is included in Collegiate tuition.
- › **Connect with other high achieving students:** Learn in an environment with an established tradition of academic excellence.
- › **Benefit from dedicated support:** Participate in our nurturing program that supports the transition to undergraduate studies with dedicated academic advising, special activities, and more.
- › **Qualify for scholarships:** Students are eligible for Collegiate Entrance Scholarships and UWinnipeg Special Entrance Scholarships after graduation.

# Work Opportunities

Full-time international students with a valid study permit are eligible to work part-time on or off campus. There are many job opportunities at the University and downtown, near campus.

## Work-Study Program

The Work-Study Program provides on-campus part-time job opportunities for eligible full-time University of Winnipeg students. The program assists you with meeting your expenses during the academic year, and it offers valuable life and work experience with flexible hours that work around your school schedule. It often provides work experience in your area of study, as a number of the positions are program related.

## Work-Integrated Learning

Work-integrated learning gives students the experience they need to be successful. Connect with employers and get opportunities to solve real-world problems. Prepare to make an impact in the modern workforce. Through co-op placements, internships, or practicums, students put their skills, knowledge, and abilities to use in a way that complements their education and provides useful experience for employment after graduation.

## Experiential Learning

We offer a wide variety of experiential learning opportunities. In addition to classroom-oriented approaches like simulations or laboratories, many projects involve out-of-classroom experiences, with a focus on field placements and research, internships, and community-service learning.

To find out more, visit:  
[uwinnipeg.ca/experiential-learning](http://uwinnipeg.ca/experiential-learning)

## Co-op Programs

For students in the Faculty of Business and Economics or studying Applied Computer Science, our Co-op Program facilitates real work experience and the opportunity to put the knowledge that you’ve learned in the classroom into action.

Students who have completed at least 21 credit hours of study with a minimum GPA of 3.0 can apply.

To find out more, visit: [uwinnipeg.ca/coop-program](http://uwinnipeg.ca/coop-program)

66 **In my Co-op placement, I worked in all areas of HR and that allowed me to get my consulting position. I am very thankful that I have the job I have, and I absolutely love it! If it were not for the Co-op Program, I would not be where I am today!**

# The Manitoba Advantage

Many of Canada's best opportunities are found in hidden gems like our province and city. With a bustling and stable economy, diverse and welcoming community, affordable cost of living and abundant access to beautiful natural surroundings, Manitoba provides numerous advantages that might surprise you.

## Manitoba-Specific Immigration Pathways for Students

Manitoba is world-renowned for its innovative immigration program, the Manitoba Provincial Nominee Program (MPNP). The MPNP includes a priority assessment stream for international students who graduate from institutions in Manitoba and would like to stay, work, and live in the province.

The Career Employment Pathway provides faster nomination pathways for post-secondary students who graduate and find long-term employment in Manitoba in an in-demand occupation consistent with their training.

To find out more, visit [immigratemanitoba.com](http://immigratemanitoba.com)

## Live Better for Less

Manitoba's economy is developed, diverse, and stable. The province offers a cost of living that allows residents to live well for less. The rates for renting or buying a home, vehicle insurance, electricity, and university tuition are some of the lowest in Canada.

## High Quality Education with High Value

With Canada's reputation for academic excellence, you can explore a broader range of universities in the country with confidence. The country's public institutions (like UWinnipeg!) follow standards to ensure high quality public education across the country.

Pay lower tuition rates while receiving high quality education through our world-leading instructors. Study in small class sizes with more access to professors, and find belonging in a campus with a strong sense of community.

**90% of our grads are satisfied or very satisfied with the education they received here.**

### Grads Get Hired

Our graduates have an employment rate of 95.9% two years after graduation.
