

Student Fee Appeal

Students have the right of appeal. All appeals must be done in writing. Decisions are made by the appropriate body and are based on the information and supporting documentation provided in writing by the student.

Important Information:

- It is the student’s responsibility to be aware of financial deadlines and withdrawal schedules. Not being aware of these deadlines is not grounds for a financial appeal.
- The deadline for submitting a financial appeal is six months after the end of the term in which the course was taken.
