WHY WORK WITH THE UNIVERSITY OF WINNIPEG?

Located in the heart of downtown Winnipeg, Manitoba, on original Treaty One land and in the heart of the Métis homeland, The University of Winnipeg is a comprehensive research university with a strong culture of research, scholarship, creativity, and innovation that spans the sciences, social sciences, humanities, and education.

Home to approximately 10,000 undergraduate and graduate students, 340 full-time faculty, 323 instructional staff, and 489 support staff, UWinnipeg has an established reputation for academic and research excellence, a supportive and caring learning and working environment, and a commitment to Indigenous engagement and achievement.

This opportunity provides a total compensation package that includes a comprehensive benefits plan, a comfortable salary, along with a Tuition Scholarship program for eligible employee and dependents

YOUR RESPONSIBILITIES AS A DIRECTOR OF RISK MANAGEMENT & CAMPUS SECURITY:

- Lead, direct, and prioritize security services for all University stakeholders.
Oversee all forms of physical security, including reception and dispatch duties, vehicle and foot patrols, first aid response, and incident investigation.
Maintain standard operating procedures for effective delivery of appropriate safety and security measures; deliver guidance on safety and security measures to all stakeholders.
Conduct risk assessments to identify potential hazards and develop hazard-specific response and remediation procedures and plans.
Collaborate with cross-functional teams to enhance risk management practices and ensure risk awareness is continually embedded through the university.
Establish and maintain an Enterprise Risk Management framework to help facilitate risk-based decision-making and manage potential risks.
Coordinate and provide direction to all University stakeholders during emergency events.
