

POST-GRADUATION WORK PERMIT

IMPORTANT INFORMATION

- A Post-Graduation Work Permit (PGWP) is an open work permit which allows you to work following the completion of an eligible course of study. You can only receive a PGWP once in your lifetime.
- You must submit your application for the PGWP within **180** days of when your final marks are **issued** or you **receive** formal written notice of graduation from The University of Winnipeg, whichever comes **first**. (If your SP will expire prior to receiving your final grades, you must apply for a short Study Permit (SP) extension.
- Within **180** days of the date of applying for the PGWP, you must meet one of the criteria:
 - Have a valid study permit.
 - Held a study permit (and have a valid temporary resident status as well if applying within Canada).
- In order to be eligible for a PGWP, you must have been a full-time student continuously and taken the majority of your courses in-person (not online).
- A PGWP is not usually issued for longer than the duration of your passport. If your passport is about to expire, you may wish to renew your passport before applying for a PGWP.
- If completing a program more than 8 months and less than 2 years, a PGWP can be issued for the length of the program you've completed. For programs more than 2 years in duration, a PGWP can be issued for 3 years. If you have completed a program less than 8 months in duration, you are not eligible to apply for this type of work permit.
- The application fee for a PGWP is \$255.
- The application processing time varies between 2 weeks-4 months. See current processing times on the IRCC website: cic.gc.ca/english/information/times/temp.asp
- Contact an IIRSS immigration advisor if you have questions, have completed part of your program outside of Canada OR have not studied continuously full-time.
- You can submit your application for a PGWP online or by mail. This reference sheet provides information about online applications.

REQUIRED DOCUMENTS

- In most cases, the following documents are required to apply for a Study Permit extension:
 - Passport & Study Permit**
Passport: clear digital copy of your valid passport, showing all of the pages which contain your birth date, country of origin, and any with a visa, stamp or marking.
Study Permit: clear digital copy of your valid study permit.
 - Graduation Letter & Final Transcript**
Undergraduate & Graduate students are strongly encouraged to provide a clear digital copy of a Graduation Letter AND Final Transcript. PACE students must provide a clear digital copy of a Graduation Letter. Although IRCC only requests a transcript OR graduation letter, if you provide documentation which does not contain all of the required information (type of program, length of program, full-time status in program), it can lead to application refusal.
 - Digital Photo**
Must meet the required specifications. For more information please see IIRSS quick reference sheet, IRCC Online Account & Photo Specifications.
- Documents must be provided in one of the following digital file types: .tiff, .jpg, .png, .doc, .docx and .pdf. Please note that only one file can be uploaded per field. You can use a free, multi-page scanner at the library or Uplink computer lab to scan your documents. You can also use a single page scanner and an online PDF merge program to combine separately scanned pages into one single file.
 - For example, you are asked to provide a copy of all pages of your passport that have a visa, stamp, or marking as well as your study permit. As this will require you to show multiple pages of your passport and your study permit, you should scan all pages of your passport and your study permit together, as one digital file.
