RE: Associate Vice-President, Indigenous Search

---

One of our strategic priorities relates to promoting Indigenization, including supporting Indigenous achievement, engagement, and reconciliation. To help meet these commitments, I am planning to launch soon a search for an Associate Vice-President, Indigenous.

In preparation for doing so and before a search committee is struck, I am writing to ask for your advice on:

- 1) The opportunities and priorities for the position; and,
- 2) The experience, background, and qualifications that would be advantageous for the successful candidate to make meaningful progress in these areas.

You may provide confidential feedback to Rachel Almero, Executive Assistant to the President, at [r.almero@uwinnipeg.ca](mailto:r.almero@uwinnipeg.ca) no later than August 19, 2022.

Thank you for taking the time to provide your thoughts and advice on this important priority for the University.
