

15th Annual Randy Kobes VIRTUAL Research Poster Symposium

Have you ever wondered what it's like to present a research poster? Are you looking for an opportunity to sharpen your presentation skills & experience what it's like to present for a series of judges? Sign up for this years' **VIRTUAL** poster symposium! This event is a great opportunity and an impressive experience to include on your resume (especially if considering a path to graduate studies). Consider the option to compete for a prize, or simply be awarded by the experience – the choice is yours! The categories are as follows:

- Social Sciences
- Biological Sciences
- Experimental Physical Sciences
- Math & Theoretical Physical Sciences

This Symposium is open to all Science undergraduate students who in the 2019-20 academic year performed natural science and engineering research under the supervision of a faculty member.

To be eligible, the student should have been enrolled at The University of Winnipeg in an undergraduate program in the 2019-20 school year, OR will be an undergraduate of The University of Winnipeg in the 2020-21 school year.

To Enter, email: uwpostercontest@gmail.com

Your name,
Your supervisor's name,
Science Category (indicate if you'd like to compete)

Deadline to Enter: August 21, 2020

WORKSHOP: Are you interested in fine-tuning your presentation skills? Get tips from experienced judges as to what they're looking for in a winning poster. Students and supervisors are welcome to attend a Zoom workshop held on Aug. 7th 10:00 – 11:00am.

VIRTUAL DETAILS:

Zoom Presentations: September 14-18

Students will record their presentations via zoom during a scheduled time.

Judges Review: September 21-25

Selected judges will review the footage & provide a score with feedback.

Awards Ceremony: Sept. 30th

All are welcome to attend a zoom awards ceremony which will reveal the winners of each category for those who competed. Time & details TBA.
