Players compete in rounds of play with 5-6 players over four weeks and at the end of each round, players move up or down the ladder depending on their wins and losses. A season of the squash ladder runs from September to May and typically consists of six or seven rounds of play. Both new and experienced players will find levels of play to suit their interest and skill level! Ladder participants are also eligible for 3-4 "Squash and Pizza Free-for-all's" over the season and clinics for both beginning and experienced players. Please note that your registration information will be shared with the University of Winnipeg Squash Club Coordinators. For more information contact recreationservices@uwinnipeg.ca.

A Squash Manitoba membership and a Bill Wedlake Fitness Centre membership or guest pass are required to participate.

The \$30 fee includes a \$10 ladder registration fee and a \$20 Squash Manitoba membership fee. If you had already purchased a Squash Manitoba membership prior to registering, you can show your valid membership number at the customer service desk to receive a \$20 refund.
