

UNDERGRADUATE SPRING COURSE DROP SCHEDULE

Updated: June 24, 2022

Ceasing to attend classes or never attending classes does not constitute a withdrawal. Failure to follow correct withdrawal procedures may result in the loss of a tuition fee refund and in the awarding of a failing grade. For additional information concerning the proper withdrawal procedures, please refer to Course Drop Information: <https://www.uwinnipeg.ca/registration/course-drop-information.html>.

For information on withdrawal dates and procedures for Graduate Studies, please see: <https://www.uwinnipeg.ca/graduate-studies/current-students/withdrawal-information-procedures.html>

Undergrad Fee Payment Deadlines

Spring 2022 (regardless of start date): May 18, 2022

NOTE: Refund percentages are based on your total assessment for each course and reflect the credit that would be applied against your current account. For information about refunds and non-refundable fees, please see: <https://www.uwinnipeg.ca/fees/non-refundable.html>. Scholarship, Bursary and Award Recipients: The university reserves the right to recover all or part of any award funding should a refund result from a withdrawal from studies or other course load change which affects award eligibility.

This document may be updated if course meeting information changes or additional sections are added (highlighting indicates revised from original posting).

For one and two week classes, you must withdraw the day before the course starts to be eligible for refund and the final day to drop is the first day of classes.

Carefully check your Course Number, Section and Title against the list below for your Withdrawal deadlines.
