

## DEPARTMENTAL CHAIR EVALUATION

(Must be typed – handwritten evaluations are not accepted)

The Research Committee values Departmental input on project proposals. Applicants should allow adequate time for the Department Chair review to be completed.

Department Research Committee and Department Chair reviews **MUST** be completed by two different people.

Applicants may **NOT** review their own application.

Signatories **CANNOT** be applying for the same grant in this competition or be a current member of the Research Committee.

Department Chairs should ensure that they have addressed the assessment points below.

Once you have completed this form, sign and return it to the applicant for them to sign and upload to their WebGrants application.

NOTE: This evaluation is required from the Principal Investigators Department, and is optional from University of Winnipeg Co-Applicant's Department(s).

Please comment on the following:

The applicant's research productivity	
The applicant's ability to carry out the research
