

## DEPARTMENTAL RESEARCH COMMITTEE EVALUATION

(Must be typed – handwritten evaluations are not accepted)

The Research Committee values Departmental input on project proposals. Applicants should allow adequate time for the Department Research Committee review to be completed.

Department Research Committee and Department Chair reviews **MUST** be completed by two different people.

Applicants may **NOT** review their own application.

Signatories **CANNOT** be applying for the same grant in this competition or be a current member of the Research Committee.

Department reviewers should ensure that they have addressed the assessment point below.

Once you have completed this form, sign and return it to the applicant for them to upload to their WebGrants application.

NOTE: This evaluation is required from the Principal Investigators Department, and is optional from University of Winnipeg Co-Applicant's Department(s).

Please comment on the scholarly significance of the project
