Title of Project

--

Subject Area

Please briefly describe the subject area of your project. (150 word limit)

--

Objectives and Research Questions

Please state the project objectives and research questions. (200 word limit)

--

University of Winnipeg Department(s)/Faculty Partners

If applicable, please identify which University of Winnipeg department(s) and/or faculty members you plan to partner with.

Methodology

Please describe how you plan to address the objectives/research questions, include data sources, analysis plan, and local and/or external partners you plan to work with. Describe how your work aligns with the overall research call. Please specify which of the three following EDI areas your research will address. (500 word limit)

Role of Students and Community Members

Please describe the training that you will provide students and/or community members. Please describe what role(s) students and/or community members will have in your project. (250 word limit)

Outcomes and Deliverables

What are the key policy outcomes of your project? Please note, the deliverables for this grant include a final report (2000-3000 words) to UWinnipeg's EDI Institutional Capacity-Building Grant Project Team . (200 word limit)

Qualifications Please briefly describe your qualifications to undertake this project. Please include your CV as part of your application (200 word limit)

Project Timeline

Please provide an outline of your project timeline. Please account for applying for ethics and other approvals and for the time required to build relationships. Please note the February 28, 2021 deadline for completion of your research.

Attachments

- ☐ Cover Letter
- ☐ Award budget justification (maximum two pages)
- ☐ CV

Agreement and Signature

By signing below, I (the applicant/Principal Investigator):

- certify that the information provided in my application and related documents is true, complete and accurate and that I have represented myself, my research and my accomplishments in a manner consistent with the norms of my academic field;
- attest that others listed on the application have agreed to be included;
- accept the terms and conditions set out in the University of Winnipeg's Research Manual: Policies and Procedures;
- accept the terms and conditions set out in the University of Winnipeg Human Research Ethics Board (UHREB) Policies and Procedures and/or the University of Winnipeg Animal Care Committee (UACC) Policies and Procedures (as applicable);
- agree to comply with the policies described in the TCPS 2 - 2nd edition of Tri-Council Policy Statement: Ethical Conduct for Research Involving Humans and/or The Canadian Council on Animal Care in Science Standards and Guidelines.

I also confirm that during the tenure of this grant, I (the applicant/Principal Investigator):

- will use the grant only for the purpose for which it is awarded;
- will meet financial and other reporting requirements specific to the grant;
- will acknowledge, wherever possible, The University of Winnipeg's funding assistance for the research.
