

**THE UNIVERSITY OF WINNIPEG SENATE  
ANNUAL REPORT OF THE  
EXECUTIVE COMMITTEE  
(the “Committee”)  
MAY 20, 2020**

The Senate Executive Committee met thirteen times since the last annual report.

The Committee reviewed the proposed Agenda and background materials for all Senate meetings, and determined what business was ready to be considered by Senate, or what required more study or consultation at the Committee level.

In addition to its regular business, due to the rapidly evolving nature of the COVID-19 situation, the Committee also acted on behalf of Senate with respect to several matters. These matters include allowing for the use of technology with respect to conducting meetings and voting, extending the voluntary withdrawal date for Fall/Winter and Winter courses, arrangements for exams and practicum programs, as well as expanding methods for testing English language proficiency.

During this time, the Committee also scheduled weekly meetings, to keep informed of any developments, and address any urgent matters.
