

**THE UNIVERSITY OF WINNIPEG SENATE
ANNUAL REPORT OF THE
HONORARY DEGREES AND FELLOWSHIPS COMMITTEE
(the “Committee”)
MAY 20, 2020**

The Senate Honorary Degrees and Fellowships Committee met once since the last annual report was submitted. The Committee reviewed new nominations and made recommendations to Senate for their approval. The timing of conferring honours is determined by the President, and depends on many factors, including availability of recipients. Nominees are generally selected to receive their award during a Convocation which focuses on their area of expertise or distinguished service.

In an effort to streamline the University’s processes with respect to bestowing honours, the Committee has now undertaken reviewing nominations for the Distinguished Alumni Award. Upon review, recommendations are forwarded to the Alumni Council, which determines recipients.
