

Annual Report of the Senate Curriculum Committee
Submitted to the Office of the Corporate Secretary and General Council
University of Winnipeg
April 15, 2019

As Co-Chairs of the Senate Curriculum Committee (SCC) we are pleased to present this annual report to Senate for 2018-19.

Between May 2018 and April 2019, the SCC reviewed the following:

- New Courses – 255 credit hours
- Course Revisions – 489 credit hours
- Course Deletions – 129 credit hours
- Experimental Courses – 30 credit hours
- Inactive Courses – 154.5 credit hours

The Committee reviewed a total of 903 credit hours of courses. In the year under review, there were more new courses (+91), more course revisions (+198), more course deletions (+36), and fewer credit hours of experimental courses submitted for review (-3) than in the 2017-18 academic year. In 2018-19, the net addition of new credit hours is 126 (255-129). Thus, three fewer credit hours were added than were removed (129-126). Finally, the Committee reviewed 154.5 credit hours of courses that were made inactive, by the following departments: ANTH/BANT, HIST, PHYS, REL/EALC, ANTH, and MULT.

The SCC approved a Student-Designed major in Mennonite Studies and approved revisions to a previously approved Student-Designed major in International Migration.

The SCC also reviewed and recommended one course from Mennonite Studies/History as appropriate for fulfilling the Indigenous course requirement (ICR). The course is MENN-3128(3)/HIST-3128 'Indigenous-Mennonite Relations: A History'.

Finally, the SCC co-chairs would like to thank all the members of the committee who carefully reviewed a very large number of submissions. They worked tirelessly and carefully to complete this important duty. We also thank Emma Alexander, chair of SCC for 2017-2018, for all her work on this committee. Finally, we express deep gratitude to Jackie Benson for her patient, kind and invaluable guidance.
