THIS FORM IS TO BE USED ONLY for the declaration of majors in the 3-year degree programs. If you wish to declare a major in the 4-year program, do not use this form; obtain the appropriate 4-year degree declaration form from Student Central or from the website.

All students, including transfer students, enrolling in their 42nd university credit hour are required to declare a major and fulfill the program advising procedures of the department offering that major. PLEASE CONSULT the appropriate departmental advisor and return the completed form to STUDENT CENTRAL.

TO REGISTER FOR A SECOND MAJOR IN ADDITION TO YOUR FIRST MAJOR, YOU MUST SHOW BOTH MAJORS ON THE SAME FORM. OTHERWISE THE NEW MAJOR WILL REPLACE YOUR FIRST MAJOR, RATHER THAN BEING ADDED AS A SECOND MAJOR.

Bachelor of Education students are NOT REQUIRED to complete this form and should continue to seek advice concerning all aspects of their program from the BEd office.

The Academic Calendar year is mandatory for Student Planning purposes. This is the year of the Academic Calendar containing the requirements you must complete to earn a degree. It corresponds to the year of admission to the University unless you formally request to change it. This form can be used to make a change to the year of your program.
