COURSE DESCRIPTION

The objective of this course is to introduce basic filmmaking techniques and apply these fundamentals to the creation of short narrative films. Lectures, screenings, in-class exercises, and hands-on experience will familiarize the student with the essentials needed to explore and develop their visual story-telling ability. Focus will be on creating compelling narrative scripts, translating these scripts from the written word into narratively cohesive visual sequences, understanding the collaborative nature of narrative filmmaking, and developing technical craftsmanship.

FILM ASSIGNMENTS will be subject to certain parameters that will be defined on an assignment-by-assignment basis. Non-narrative experimental films, documentaries, and music videos are not part of the curriculum, and may not be handed in to replace existing assignments or for extra credit. Any such films handed in will **NOT** be graded.

Film work not scripted by the student may be accepted under certain circumstances and at the sole discretion of the instructor.

WRITTEN ASSIGNMENTS are due at the beginning of the specified date since they may be used in conjunction with that day's lecture or lab work. A typed hard copy is **mandatory**, and scripts are required to have a title page.

GROUP ASSIGNMENTS serve to underscore the collaborative nature of narrative filmmaking. The finished project will determine part of a student's grade, as will their individual participation and contribution to a group.

CLASS PARTICIPATION is essential. Instructors, students, and groups require the contributions of all class members in various capacities: actors, crew, feedback, class demonstrations, etc. Attendance, punctuality, and appropriate behaviour, both in class and on set, are reflected in grading because it

mirrors the expected conduct in a professional setting. As a courtesy to your classmates, and especially to the person who will be grading you, cell phones **must** be turned off during class time.

GRADE EVALUATION is based on the six assignments outlined above, plus class participation, which includes contributions to class and to projects, professional conduct, attendance and punctuality. Work not submitted will be graded as ZERO (0).

CONVERSION SCALE

For the calculation of the final grade the following conversion table will be used:

A+	90 – 100%	GPA	4.5	C+	65 – 69.9%	GPA	2.5
A	85 – 89.9%	GPA	4.25	C	60 – 64.9%	GPA	2.0
A-	80 – 84.9%	GPA	4.0	D	50 – 59.9%	GPA	1.0
B+	75 – 79.9%	GPA	3.5	F	below 50%	GPA	0
B	70 – 74.9%	GPA	3.0				

Work not submitted will be graded as ZERO (0).

LATE ASSIGNMENTS submitted without prior arrangement may be graded at ZERO (0).

Assignment deadline extensions will only be considered under EXCEPTIONAL circumstances and at the instructor's discretion. Additionally, equipment availability and the logistics of scheduling film shoots dictates that there is **little-to-no** margin of flexibility for rescheduling assigned gear sign-out times.

COSTS

This is a practical hands-on course in filmmaking utilizing video and film equipment and students should take note of certain costs involved.

There is a \$50.00 non-refundable Technology Fee to help defray the costs of regular equipment maintenance. **You paid this fee with your tuition.**

In addition to the non-refundable Technology Fee, students are required to pay a **\$200 Damage Deposit** for this class. In return, we will loan you our equipment for use on class projects. If you lose or damage equipment while it is in your care, the damage deposit will be applied to costs of repair or replacement, but note: you are responsible for the total value of the loss even if it is more than this deposit. Any unused portion of your Damage Deposit will be returned to you, usually by the end of June.

The deadline for payment of the Damage Deposit is **THURSDAY, SEPTEMBER 24, 2015**. **THERE WILL BE NO EXCEPTIONS.** If you fail to pay in full by the deadline, a "hold" will be placed on your student file and you will not be permitted to sign out or use any equipment. In order to make payment, take the "Damage Deposit Ticket" handed out in class to Student Central by the deadline. Once you have paid, **take your receipt to Patty Hawkins in Room 3T03.** You will be required to complete an *Equipment Loan Damage Deposit Agreement* which you must show to the Equipment Manager the first time you attempt to sign out equipment.

(NB: if you are taking more than one course requiring a damage deposit, you only pay the Damage Deposit once during the Fall/Winter term.)

Attendance and Class Participation: Attendance will be taken at each class and absenteeism will affect your grade. Also, students are expected to participate in class discussion.

Class Etiquette: Be on time. It is very disruptive to the rest of the class if people are wandering in late, especially if films are being screened or workshops are being conducted.

Archival records such as videotapes, sound recordings, and photographs may be made or taken during class or lab times. The University uses such materials primarily for archival, promotional, and teaching purposes. Promotional use may include display at open houses or conferences, or use in advertising, publicity, or brochures. In reading and accepting the terms in this course outline, students acknowledge consent for such use by the University. Should a student not wish to convey such consent, s/he should withdraw from this course immediately.

Cellular phones **MUST** be turned off during classes and examinations; texting is **NOT** permitted in class.

Any student attending a test or final examination may be required to present proof of identity; photo identification is preferred.

It is the student's responsibility to retain a photocopy or computer disk copy of **ALL** assignments submitted for grading; in the event of loss or theft, a duplicate copy is required.

Students with documented disabilities, temporary or chronic medical conditions requiring academic accommodations for tests/exams (e.g., private space) or during lectures/laboratories (e.g., note-takers) are encouraged to contact Accessibility Services (AS) at 204-786-9771 or <http://www.uwinnipeg.ca/accessibility> to discuss appropriate options. All information about a student's disability or medical condition remains confidential.

STUDENT PARTICIPATION POLICY

Theatre is a communal art form in which a number of interdependent artists and crafts people co-operate to create a work of art. This fact is necessarily transferred to the learning situation, and is reflected in many of the Department's courses. Consequently, it is the Department's policy that students are required to: complete homework such as reading, line-learning, script analysis, prop lists, design drawings, etc.; attend classes; attend rehearsals both within and outside of class times; and, in short, to exhibit commitment towards the inevitably shared endeavours of our field of study.

Any student failing to fulfil these requirements is harmful to the progress of dedicated students and may, after due warning, be asked to withdraw from any individual Departmental course.

COURSE CONTENT NOTE

All Theatre and Film Classes

Dramatic Literature depicts a wide variety of human action, both elevated and base, public and private, physical and psychological, sexual and non-sexual, etc. The Department of Theatre and Film will not undertake to censor the subject matter of dramatic works.

Students who have concerns about dealing with the full range of content and style in drama/film are urged to discuss these concerns with the course instructor.

Performance-Related Classes

Much of an actor's work is based upon actual experiences of life which become translated into fictional circumstances. Because of this, the teaching of acting may involve encouraging the student to examine personal and even intimate areas of life to help him or her access life experiences appropriate to the demands of the work.

Dramatic literature depicts a wide range of human actions, both elevated and base, public and private, physical and psychological, sexual and non-sexual, etc. Acting students must learn to simulate life truthfully in interaction with other students in the safety of the acting class and the rehearsal hall through exercises, discussions, and directions which address rather than avoid truthful, particularized, personalized action.

Performance classes often require strenuous physical activity. Classes may also involve physical interaction between students as part of class exercises or character development and occasional physical contact by instructors for purposes such as the demonstration of a technique or to make a posture correction. Students are responsible for wearing clothing appropriate to these activities.

Students who have concerns about dealing with the full range of actions and subject matter involved in drama are urged to discuss these concerns with their course instructor.
