**PREREQUISITE or CO-REQUISITE:** NONE: although THFM-1001 or THFM-1002 are recommended.

The objective of this course is to offer an introduction to technical production in theatre through lectures, projects, and production work. Theatrical Production I is divided into two halves as follows:

1. Sound and Lighting in Production, and
2. Stagecraft and Facilities.

The course is divided into lecture and lab sessions. Lectures expose students to principles of stagecraft, the handling of lighting and sound equipment, and the study of theatre facilities with an emphasis on proscenium and studio spaces. Considerations of safety in the handling of equipment and materials will be included throughout along with use of the Workplace Hazardous Materials Information System.

Lab sessions will offer the student the opportunity of applying the principles acquired from lecture to hands-on projects and production work related to the departmental public exercises. To develop broader experience in production, additional opportunities will be available for students to participate in department projects.

**EVALUATION** Grading is divided evenly between each half of the course.

Assignments distributed over the Stagecraft section (see schedule below)	15%
Scenic construction labs in the 2nd quarter of Stagecraft	15%
Scenic Construction & Production Test	5%
Lighting labs for the 2nd quarter of Electricity	20%
3 tests evenly distributed over the Electricity section	15%

**STUDENT PARTICIPATION POLICY**

Theatre is a communal art form in which a number of interdependent artists and crafts people co-operate to create a work of art. This fact is necessarily transferred to the learning situation, and is reflected in many of the Department's courses. Consequently, it is the Department's policy that students are required to: complete homework such as reading, line-learning, script analysis, prop lists, design drawings, etc.; attend classes; attend rehearsals both within and outside of class times; and, in short, to exhibit commitment towards the inevitably shared endeavours of our field of study.

Any student failing to fulfil these requirements is harmful to the progress of dedicated students and may, after due warning, be asked to withdraw from any individual Departmental course.

**COURSE CONTENT NOTE**     All Theatre and Film Classes

Dramatic Literature depicts a wide variety of human action, both elevated and base, public and private, physical and psychological, sexual and non-sexual, etc. The Department of Theatre and Film will not undertake to censor the subject matter of dramatic works.

Students who have concerns about dealing with the full range of content and style in drama/film are urged to discuss these concerns with the course instructor.
