OTHER CONSIDERATIONS:

- CREATIVE ENSEMBLE WORKSHOP:** If auditions are held in-person, the audition day will include a workshop focusing on collaborative and imaginative work.

MONOLOGUE, REGISTRATION PROCESS AND PRE-AUDITION DATES:

- MONOLOGUE SELECTION:**
Prepare one contemporary monologue (no earlier than 1950) **EITHER** from the list provided **OR** one of your own choosing. In either case, ensure that your monologue is NO LONGER THAN 3 MINUTES (this may require you to edit your monologue) and the monologue may not be taken from any work the candidates have done in class nor come from any play in which they have performed.

For those choosing their own monologue, it must:

- Be a monologue you have never worked on before – in class or elsewhere.
- Be a monologue in the style of "psychological realism" and that is action based. (This means that we want to ensure the monologue is not grand, poetic and abstract. We're looking for a charged, human, emotional and psychological situation in which the character does things verbally, physically, psychologically in order to get what they want from another character[s]).
- Be submitted as a typed version or a scan to uofwaudition@gmail.com **no later than midnight on FRIDAY April 1, 2022.**

A list of suggested monologues will be available from the department Tuesday, March 1st. E-mail Melinda at m.tallin@uwinnipeg.ca to have them sent to you electronically.

FREQUENTLY ASKED QUESTIONS:

1. **Who is on the panel?** The Panel is normally be made up of the full-time Performance Faculty, as well as the Chair of the department. Other instructors may be invited to attend. One student from the current fourth-year Honours Acting ensemble will also be a member of the panel.
2. **Should I edit my monologue so that it's under 3 minutes?** Yes.
3. **How should I dress?** Dress like a theatre student. Clothes that will allow you to move, but aren't terribly baggy.
4. **If we're on Zoom, how should I set up to do an on-camera audition?** Don't sweat this too much. We want to be able to see as much of you as possible without losing your face, so don't be too far away. If you can make the background behind you uncluttered so much the better – and if you can't, don't lose too much sleep over it.
5. **Will having a physical disability disadvantage me in the workshop portion of the audition?** Absolutely not. There is no one-size-fits-all standard of a performer's physicality. What is compelling is how a performer works within the spectrum of their capabilities.
6. **How will you decide who gets in?** We'll base acceptance on your work in the audition, comments from your pre-req instructors, your interview responses, and your performance grades in your previous performance classes.
7. **Is there anything else I need to do? YES** – don't forget to e-mail a pic of yourself to uofwaudition@gmail.com as soon as possible. This is to go into a booklet for the panel with your pictures, so that they can put a face to the name in their deliberations. Yes, it could be your headshot if you have one, but just a decent selfie will do nicely.
ALSO – If you choose your own monologue, don't forget to submit it in typed or scanned form to the same address by midnight April 1st.
8. **WHAT IF I HAVE TERRIBLE INTERNET??** If this is an issue and we're doing the auditions on Zoom, e-mail us and let us know. We have alternative options if this is the case.
