THFM 2024-25 TIMETABLE

as of June 26, 2024 (subject to change)

3 pages

Here is the list of all THFM course offerings in 2024-25 as of June 2024, with notes that may help you as you select your classes for the upcoming year.

Remember you can contact Melinda (m.tallin @uwinnipeg.ca) or Christopher (c.brauer @uwinnipeg.ca) in the Department office with any questions you have!

Some courses may require permissions but are still available to most students, so please ask if you aren't sure.

Humanities courses are noted. THFM-1003 satisfies the ICR. Cross-listed courses (besides THFM-3802/4802) may be taken as the other dept's offering to allow you more space for THFM credits.

TBA Faculty should be confirmed in July, and Course Outlines from previous years are available for reference on the website under Student Resources; new Course Outlines will begin to be posted there in mid-July.
