Facilities and Amenities

The Club is a quiet, comfortable space for dining, relaxing, holding meetings, or hosting visitors to our campus. The Club's facilities include a lounge with comfortable sofas, a cozy licensed pub, a dining room, and a private meeting room.

The Drache Board Room

The board room is ideal for luncheon meetings. The Club's art collection offers aesthetic satisfaction.

Dining Room

Located in one of the Wesley Hall "turrets," the dining room offers an elegant but unpretentious dining atmosphere.

The Pub

Designed by David Hewlett with an 'Olde English' décor, the pub provides a quiet venue for coffee, licensed drinks, or lunch, and is the center of Friday afternoon conviviality.

Art Collection

The Club is home to a collection of paintings by Murray Boyko, Jonina Cadoreth, Angele Gagnon, Deryk Houston, Kenneth Hamilton and Tony Tascona. Additional pieces from the university's general collection are also displayed in the Club.

Lounge

Adjacent to the dining room, the Club lounge features leather sofas and is a perfect place to relax with friends and beverages, or to hold small receptions.

Authors' Display

The Club book collection showcases books authored by some of the University's most accomplished and productive writers. Over 80 of them have contributed to a collection of just under 200 volumes.

Special Bookings

Members may book the Club, at no cost, to hold events outside regular hours, including evenings and weekend. Our Club staff would be happy to help you plan your next special event.

Corner Library

Tucked around the corner from the Pub is a quiet nook filled with books. Members may browse, borrow a book, or trade a book for one of similar quality. Working on the honour system, the Club's Corner Library is yearly refreshed courtesy of The Friends of the Winnipeg Public Library.

"I appreciate the Club because of the relaxed and informal atmosphere where faculty and staff can unwind, hold meetings, or have some quiet alone time away from the hustle and bustle of campus. Some of the most productive and interesting conversations happen over a pint at the Club."

Kirk Dowson — Faculty of Education
